

Certified Organic by Marin Organic Certified Agriculture (MOCA)

Hiring Students Now!

**Applicants encouraged to
apply ASAP**

Turn Your Dream Into A Reality

Learn about the principles and practices of organic farming through this hands-on work study program. The Indian Valley Organic Farm & Garden offers students the opportunity to work and learn about cultivation, propagation, marketing, and more.

College of Marin and Conservation Corps North Bay have partnered to provide COM students a unique learning experience like no other in the country!

**Earn wages and scholarships
while you learn.**

To qualify you must:

- Be eligible for financial aid
- Be able to work up to 25 hours per week
- Be enrolled in at least 6 units at COM

**For more information call : Eileen Callahan at 415-454-4554 x 144
or apply on our website at: www.conservationcorpsnorthbay.org**
