

All Star/County Ambassador is the highest rank that a 4-H member can earn at the county level. The position of All Star/County Ambassador is more than an award. All Star is a symbol of hard work and commitment to the 4-H program that takes place over a period of years. All Stars/County Ambassadors are responsible for serving as youth ambassadors of the 4-H program and have many county responsibilities and duties that go along with the title. The original title for this award was County All Star. In 2018 the award was renamed County Ambassador to be consistent throughout the state program.
