

Exploring Beekeeping

Not everyone wants to keep bees,
but everyone needs to know how useful they are...

Date/Times: Wednesday, April 11, 2018 9:00 am to 12:00 pm
Saturday, June 2, 2018 9:00 am to 12:00 pm

Location: South Coast Research & Extension Center
7601 Irvine Blvd, Irvine, 92618

Cost: \$40.00 per person

This three-hour course offers an introduction and brief overview of beekeeping. It will cover:

- City ordinances
- Beehive location
- Time and financial requirements
- Honey plants, bee food needs
- Races of honey bees
- Pesticides
- Obtaining, installing your new bees
- Helping your honey bees stay healthy

If you are interested in keeping honey bees, but not yet sure how to start, this class is for you. After taking this course, you will be able to make a well-informed decision about keeping bees in your backyard.
