EVENTS

ELKUS RANCH SUMMER DAY CAMP

Join us for Summer Camp 2019 at UC Elkus Ranch Environmental Education Center! Kids 6-11 years old can spend the day at the ranch learning how to care for our livestock animals, cook using produce from our gardens, make crafts, learn about environmental stewardship, and much more! Monday-Friday, 9:00am-3:00pm. Sign up for one day or the whole week!

Five sessions available June 24-28, July 8-12, July 15-19, July 29-August 2, and August 5-9, 2019. Only \$70 per child, per day.

Questions? Please contact Elkus Ranch at elkusranch@ucanr.edu or (650) 712-3151. For more information, visit their [website](#).

GARDENING TIPS

PLANT PROBLEM DIAGNOSTIC TOOL

Choose the affected plant from photos displayed, click on the photo, remove any selections that do not apply, click on the plant names, and continue to filter selections to view the results for a possible diagnoses. [Learn more](#).

GARDENING RESOURCES

Select links to access gardening resources, California Backyard Orchard, Integrated Pest Management (IPM), publications, and finding a local Master Gardener program. [Learn more](#).

ARBORETUM ALL-STARS

Do you need help picking plants for your sustainable home garden? Selecting from the "Arboretum All-Stars" list is an easy way to start making "green" choices for your great looking garden. Arboretum All-Stars are top plants recommended by the horticultural staff of the UC Davis Arboretum. They thrive in California's Mediterranean climate and have qualities that make them great choices for sustainable home gardens. Use a [searchable plant database](#) for you to pick the perfect All-Star for your garden conditions. For more information, view their [website](#).

OUR WATER OUR WORLD created a product list intended to help stores participating in their program to stock less-toxic products that are compatible with Integrated Pest Management (IPM). The list is also intended to help consumers identify products that will help them manage pests with minimum risk to themselves, their family, pets, and environment. The product list does not include all less-toxic types or active ingredients; only those most commonly available to, or used by, consumers for pest prevention and less-toxic control. View the [document](#), or visit their [website](#) for more information.

YOUTUBE VIDEOS

URBAN AGRICULTURE

Urban agriculture is proliferating across the state of California on both public and private lands, taking the form of school, community, church and backyard gardens, vertical and rooftop farms, for-profit and non-profit enterprises, as well as a whole suite of other food production methods. [View video](#).

COVER CROPS FOR HEALTHY SOIL

To control weeds and build soil structure, cool season cover crops are planted in the fall to create a deep root mass, cut down in the spring, and then warm

season cover crops are planted. [View video](#).

FREE CLASSES & CLINICS

Creating a Pollinator-Friendly Garden

Veterans Memorial Senior Center
1455 Madison Avenue, Goldstar Room
Redwood City, CA
July 13, 2019, 10:00am-12:00pm

Attract bees, butterflies and other pollinators to your garden by creating an inviting habitat. Get to know our local pollinators and what they need to thrive. You will learn how to identify local pollinators at each stage in their life cycle, what makes an attractive habitat, and which plants are needed for pollinators. [Registration](#) required.

The Good, the Bad, and the Ugly Garden Bugs

Lyngso Garden Materials, Inc.
345 Shoreway Road
San Carlos, CA
July 20, 2019, 10:00am-12:00pm

Learn how to use the least invasive method of pest control, fighting bad bugs with good bugs whenever possible, and how to provide a garden with a variety of plantings to encourage pollinators and critters to co-exist in a healthy environment. [Registration](#) required.

Homegrown Herbs Made Easy

Garden Education Center
San Mateo Event Center (next to the Jockey Club)
2495 South Delaware Avenue
San Mateo, CA, 94403
August 17, 2019, 10:30am-12:30pm

Join us to learn the basics of growing and enjoying herbs in your home garden. We'll talk about herbs throughout history, in the wild, as pollinator plants, in the landscape, and in the kitchen. Selected herbs will be highlighted and discussed in depth. Plus we'll share tips on cultivation, propagation, storage methods, preparation, and preservation. [Registration](#) required.

Year-Round Edible Garden - Winter 2019

Garden Education Center
San Mateo Event Center (next to the Jockey Club)
2495 South Delaware Avenue
San Mateo, CA, 94403
August 24, 2019, 10:30am-12:30pm

Our mild Mediterranean climate allows us to easily grow vegetables year-round. This class will help you focus on the wonderful fresh garden vegetables that you can enjoy in the winter by using the Planting Calendars for San Mateo and San Francisco Counties available for downloading from the Master Gardener website. You will learn to sequence your planting schedule and choose winter edibles. We will "crack" and plant certified seed garlic, learn how to grow potatoes in pots, and discuss details of growing onions. A hands-on exercise will teach you how to make and use low tunnels for season extension. Guests will take home an edible seedling ready for their home garden, grown by UC Master Gardeners. [Registration](#) required.

San Francisco 30th Street Plant Clinic
225 30th Street (between Church/Dolores)
San Francisco, CA
July 13, 2019, 10:00am-12:00pm

Master Gardeners are available to answer your plant and gardening questions, ranging from general information to advice about specific problems. Parking is limited. When you arrive at the Senior Center, take the elevator to the 3rd floor and ask for directions to the garden. It is all the way down the hallway and out the back door. No registration required.

San Mateo Arboretum Plant Clinic
Kohl Pump House
101 9th Avenue
San Mateo, CA
July 14, 2019, 11:00am-2:00pm

From a table stocked with reference material, we help members of the public with their plant and gardening questions. If we are unable to answer your question, we will submit it to our Helpline for assistance. No registration required.
