EVENTS

AUTUMN GARDEN MARKET

Gardening Education Center
San Mateo Event Center (next to the Jockey Club)
2495 South Delaware Avenue
San Mateo, CA
September 7, 2019, 9:00am-2:00pm

This year's annual autumn market will feature pollinator plants, native plants, new and heirloom varieties of beets, broccoli, cabbage, onions, leafy greens, herbs, and more surefire selections for our Bay Area microclimates. All should be planted in the fall. Cash or check only. Please bring your own transport

boxes.

To arrive at the site, do not go to the Event Center pay parking off of Saratoga, instead enter from South Delaware Street going toward the Jockey Club. After you enter the parking lot, drive immediately to the left where you will see a green lawn and large eucalyptus trees on the side backing on Saratoga Avenue. Free parking at the GEC!

GARDENING TIPS

PLANT PROBLEM DIAGNOSTIC TOOL

Choose the affected plant from photos displayed, click on the photo, remove any selections that do not apply, click on the plant names, and continue to filter selections to view the results for a possible diagnoses. [Learn more.](#)

GARDENING RESOURCES

Select links to access gardening resources, California Backyard Orchard, Integrated Pest Management (IPM), publications, and finding a local Master Gardener program. [Learn more.](#)

ARBORETUM ALL-STARS

Do you need help picking plants for your sustainable home garden? Selecting from the "Arboretum All-Stars" list is an easy way to start making "green" choices for your great looking garden. Arboretum All-Stars are top plants recommended by the horticultural staff of the UC Davis Arboretum. They thrive in California's Mediterranean climate and have qualities that make them great choices for sustainable home gardens. Use a [searchable plant database](#) to pick the perfect All-Star for your garden conditions. For more information, view their [website](#).
