

## Plants that Attract Native Bees and Beneficial Insects

		Native	Shrub	Annual
1	<i>Achillea millefolium</i>	X		
2	<i>Asclepias</i> spp	X		
3	<i>Aster x frikartii</i>			
4	<i>Baccharis viminea, pilularis</i>	X		
5	<i>Berberis aguilifolium</i>	X	X	
6	<i>Bidens ferulifolia</i>			
7	<i>Calamentha</i> spp.			
8	<i>Carpenteria californica</i>	X	X	
9	<i>Caryopteris</i> spp and cultivars			
10	<i>Ceanothus</i> (many)	X	X	
11	<i>Cephalanthus occidentalis</i>	X	X	
12	<i>Cosmos bipinnatus</i> and <i>C sulphureus</i>			X
13	<i>Encelia californica</i>	X		
14	<i>Eriogonum fasciculatum</i> , <i>E grande</i> var. <i>rubescens</i> , <i>E giganteum</i>	X		
15	<i>Eryngium</i> spp and cultivars			
16	<i>Coreopsis grandiflora</i> (single flowered cultivars)			
17	<i>Eschscholzia californica</i>	X		
18	<i>Gaillardia</i> 'Oranges and Lemons'			

## Plants that Attract Native Bees and Beneficial Insects

		Native	Shrub	Annual
19	Grindelia spp	X		
20	Heteromeles arbutifolia	X	X	
21	Lavandula spp	X		
22	Linaria purpurea			
23	Muhlenbergia rigens	X		
24	Nepeta faassenii			
25	Penstemon heterophyllus	X		
26	Perovskia spp.			
27	Phacelia californica	X		
28	Phacelia tanacetifolia	X		X
29	Rosemarinus cultivars			
30	Rudbeckia spp			
31	Rhamnus californica	X	X	
32	Salvia chamaedryoides			
33	Salvia 'Indigo Spires'			
34	Salvia uliginosa			
35	Solidago spp and cultivars (some)	X		
36	Vitex agnus-castus		X
