Hi, my name is Shannon Whetzel and I just finished my ninth and final year in the Ukiah Shamrock 4-H Club. In the fall of 2016 I will attend Santa Rosa JC and go into the Athletic Training program and study kinesiology. In that program I will learn how to treat, tape, and care for athletes. I knew I wanted to go into the medical field when I transferred into the Scrubs 101 class at Ukiah High School. Through guest speakers and presentations in this class I was fascinated by the possibility of a career in the military to be a Med Evac, or to become an RN, a paramedic, or a physical therapist. During my senior year, I was meeting with the SRJC Water Polo coach about the possibility of being the goalie for their 2016-17 team. I was excited to find out that Santa Rosa JC had both an Athletic Training/Sports Medicine program and Women’s Water Polo Team. In the end I realized in completing the athletic training/kinesiology for an AA degree this would be a great base to accomplish any of my career dreams. After completing the AA degree, I plan to transfer to a 4-year athletic training program at a state school. I hope to practice as an Athletic Trainer for professional sports teams.

I joined 4-H when I was nine years old and for the last nine years I’ve been in projects such as shooting sports (archery, rifle, shotgun), knitting, rabbits, horses, cooking, communications, cake decorating and photography. Due to these projects, I have shown my animals and items at our county events such as Extravaganza, Redwood Empire Fair, and the Mendocino County Fair in Boonville. I participate at the state level in the My Plate contest in 2014 and won 1st place. I have competed in, helped organized and was a mistress of ceremony/presenter at County and Sectional Presentation Days, Redwood Empire Fair Awards Ceremony, and Extravaganza. I have also been a presenter at club officer trainings, county presentation day workshops and new member open houses. Throughout my membership I have attended numerous County Council meetings to report on events such as Color Me Green and Wreaths Across America. I have volunteered to help and organize our local club’s Halloween Party and work at the Hopland Sheep Dog Trials. I have held many officer positions in my club: president, recording secretary, supply officer, recreational/ activities director, and sergeant at arms. At 4-H Summer Camp, I was a camper for 3 years, a CIT for 2 years, a Counselor for 1 year, a Dean for 1 year, and a Director last year. I was also a co-chair for the Wreaths Across America program in December of 2014 and 2015.

As I look back on the last nine years, I think I can say that I literally wanted to “make the best better” by being a positive person and giving back to my community. I learned to work well with others including adults, my peers, and younger children. Being involved in 4-H summer camp, being an officer, and being one of the oldest kids in my club, I have strived to be a role model for the youth of the 4-H program. I encourage younger members to become involved within our club and county events. Though my club I have had the opportunity to organize and encourage community service projects with Tango Mike, Brookside retirement, veterans, Plowshares, Senior Center and the Animal Shelter/ Humane Society. 4-H has given me the opportunity to overcome my fear of public speaking and it has helped me tremendously with my leadership skills. These leadership roles have taught me attentiveness, concentration, and to be comfortable talking to large groups of people. Five of my peers and I ran a five-day summer camp in which I learned how to handle stress in a healthy way. I also learned how to work well with my peers to make the camp a better place for all ages. As a Wreaths Across America co-chair for the last two years I have been inspired to see how many citizens of Ukiah came out and shared this amazing event with the 4-Hers of their community.

As I move forward to my college experiences as an athlete and as a student, I know I will take the many things I learned while being involved in 4-H: leadership, helping and caring for others, and people skills. These qualities will help through college and the rest of my life. I hope current 4-Hers will recognized that they have a bright future ahead of them and that 4-H is an amazing asset to be a part of. I would just like to say thank you to all the adults and my peers that I met through 4-H. They have made me a better person and always pushed me to do greater things in and outside of 4-H. Also a very special thank you to my parents. They are both involved in 4-H because of my siblings and I. They have made my 4-H experience a one to remember. To my brother and all the members in my club, good luck and make the best better!

4-H Shooting Sports Trainings

Merced County

The Merced County 4-H Shooting Sports training team will be offering a series of project leader and leader trainer classes in rifle, pistol, shotgun, muzzle loading and archery offered from September to December in Central California. All classes will be in a Saturday and Sunday format, 9 AM – 4 PM, at the Safety First Shooting Association, River Oaks Range, 11584 N. Shaffer Rd, Winton 95388, in Merced County. Participants must become a 4-H leader or member and attend both days to receive certification to lead any of the shooting sports disciplines at the project, club and camp levels. The course will include a PowerPoint lecture, review of equipment, practice shooting and teaching, and a written test. The cost for each discipline is $35 per person to include a resource binder, with Saturday and Sunday lite breakfast refreshments. Dry camping is available on site as is self-contained RV camping. You are responsible for lunches. The nearest shopping is 15 minutes away. It is recommended to bring lunches each day. You may bring your own firearms and ammunition or archery equipment. However everything will be provided if you want to use their equipment. Junior and teen leaders are invited but must attend with an adult or have a certified shooting sports adult leader they will be assisting back home.

Driving directions to the classrooms and range are at http://www.safetyfirstshooting.org/html/directions.html

Summer Camp Report

The 4-H Summer Camp Strategic Planning Committee has completed their goals and made a series of recommendations and suggestions to the Steering Committee in the areas of marketing, fundraising, camp leadership structure, adult and teen staff trainings, camp activities and camp daily structure during the months of February-June.

In July, a group of teens and adults visited the Marin 4-H camp at Las Posadas to observe their camp and toured Mendocino Woodlands as a possible location for Mendocino-Lake 4H Summer Camp. We are in the process of securing a reservation for Mendocino Woodlands for the first week in July 2017.

This is exciting news but we now need adult volunteers to help plan and execute the 2017 4-H Summer Camp. Our Steering Committee is in need of several key positions including Executive Director and Program Director. Further we could use other interested adults from our community and within 4-H to be a part of the committee. Without these positions filled, we won’t be able to proceed with the 2017 camp. Please see the position descriptions on the website for additional information. http://celake.ucanr.edu/Mendocino-Lake_4-H_Summer_Camp/Camp_Steering_Committee/

If you or if you know someone who would like to apply for the 2 director positions and/or be on the committee, please contact 4-H staff at (707) 263-6838 or Julie Frazell at jfrazell@ucanr.edu.
