

# Prescribed Burning 101

## A Virtual Workshop Series

Join the Mendocino County Prescribed Burn Association and UC Cooperative Extension for a series of workshops designed to introduce landowners, managers, stewards, and community members to the process of using prescribed fire in Mendocino and neighboring Counties. Topics discussed will include:

- Fire Ecology
- Developing Burn Plans and Smoke Management Plans
- Air Quality and Cal Fire Permits
- Tools of Prescribed Fire
- Establishing Burn Units
- Firing and Control Methods
- Risk and Liability
- Working with Prescribed Burn Associations

---

A series of four workshops will be held in **February** on **Thursday** nights from **6-7 pm**. Workshop registration is **\$10**. Register at:
