ANSWER KEY FOR ASSESSMENT ONE:

• Knowledge
  o TRUE  There are many types of credit cards available.
  o FALSE  It is not okay to make online purchases with your credit card on any site. It is a good idea to make sure that the site you are buying from is a secured site. If you are not sure you can call the company and ask.
  o TRUE  Even if you manage your spending well, there are other ways your credit card can get you into trouble.

• Comprehension
  o Does the teen describe warning signs of credit trouble? Use the following as a guideline to assess the description.
    ♦ Some warning signs of credit trouble are:
      ✫ Being able to pay only the minimum due each month
      ✫ Needing to use credit cards or cash advances to pay for daily expenses
      ✫ Borrowing more money to pay for existing debts
      ✫ Unable to pay bills on time
      ✫ Applying for new cards while having balances on existing cards
      ✫ Spending up to the credit limit
      ✫ Being contacted by creditors or collection agencies
      ✫ Having no savings for emergencies
      ✫ Not knowing how much is owed and being afraid to open monthly credit card statement
      ✫ Feeling uncomfortable or stressed about the amount of money that is owed

• Application
  o Does the teen’s comic provide a minimum of 3 credit card safety tips? Use the following tips as a guide.
    ♦ Never give out your card number—especially if someone calls and asks you for it. If you think the call is legitimate, ask them to send you their request in writing.

♦ If you lose your card or it is stolen, call your credit card company immediately. Keeping your credit card company’s phone number and your account number written down will really help out if you need to make a report.

♦ Instead of signing the back of your credit card, write “See I.D.” This way no one can use your credit card instead of you or try to forge your signature.

♦ Save your receipts and compare them to your monthly statement. If a charge appears on your statement that you did not make, call your credit card company immediately.

• Analysis

  o Does the teen address both the advantages and disadvantages of using a credit card? Use the following to assess the teen’s answer.

  ♦ Advantages include:
    ✦ Help establish a credit history
    ✦ Allow someone to have things now while paying for them later
    ✦ Can provide emergency funds for unforeseen expenses
    ✦ Safety – not having to carry large amounts of cash
    ✦ Convenience – the ability to make hotel reservations or purchase things online or over the phone
    ✦ A record of purchases
    ✦ Consumer protection.– e.g., various types of insurances, protection under consumer credit laws

  ♦ Disadvantages include:
    ✦ Risk of card theft or loss
    ✦ Risk of credit card fraud
    ✦ Card fees
    ✦ Incorrect information can appear on credit report
    ✦ Damage to credit history due to irresponsible use
    ✦ Poor credit history results in you paying more to use credit
