ADDITIONAL \$325 MILLION A YEAR TO LOCAL BUSINESSES

An additional \$325 million a year is generated by CalFresh spending, helping farmers, grocers, truckers, packing sheds & other businesses in the county stay profitable and competitive.

\$353 MILLION A YEAR IN HEALTH CARE SAVINGS

By helping families with food, CalFresh keeps them healthy. CalFresh participants incur \$1,400 less in health care costs per year than non-participants, saving taxpayers \$353 million in our county.

HEALTHIER, MORE PRODUCTIVE ADULTS

Children who receive CalFresh benefits are likely to do better in many ways as adults—securing better jobs as a result of improved academic performance and experiencing lower rates of obesity, diabetes, and high blood pressure.

The Supplemental Nutrition Assistance Program, known in California as CalFresh, is the nation's most important anti-hunger program. CalFresh provides critical support to low-income families while strengthening the local economy.
