UCCE Nutrition BEST Farm Tour and Garden Day

University of California Cooperative Extension (UCCE) Nutrition BEST will hold a **Farm Tour and Garden Day** for kids and families on July 23, 2015. The farm tour will start at 9:30am at the Natural Trading Company in Newcastle. Participants will meet farmer Bryan, get a tour of the farm followed by tastings and hands-on activities. It will be a fun-filled day of learning and exploring.

The whole family is invited to come out and tour the farm, learn about where your produce is grown, and to meet the farm animals. This event is geared towards families and caregivers of children 0-5 years; however children of all ages, parents, grandparents, and caregivers are all invited to participate.

We will be participating in many fun hands-on activities; make sure to dress for the heat and be prepared to play in the dirt!

For more information contact UCCE Nutrition BEST at 530-889-7350, or visit us online at http://ucanr.edu/sites/Nutrition_BEST/. The Nutrition BEST program is an effort of the University of California Cooperative Extension and is proudly supported by First 5 Placer County.
