

Project WILD Hybrid Workshop—Fall 2022

Thank you for signing up for the Project WILD Pre-Conference Workshop for the 2022 UC California Naturalist Conference in Tahoe City. As noted in the workshop description, this hybrid workshop includes both an in-person component on Oct 7 at the Granlibakken (Tahoe City, CA), as well as a pre-workshop virtual meeting on Oct 1, as well as some independent activities to be completed between Oct 2 and 6. Please see the schedule below:

Project WILD Hybrid Workshop Schedule

Part I—Oct. 1, 2:00-4:00pm—Join us online for an introduction to the Project WILD curriculum, including a walkthrough of sample WILD activities and online resources

Part II—Oct. 2-6th—Complete two WILD activities (approximately one hour total) independently on your own schedule

Part III—Oct. 7th—Meet at the California Naturalist Conference to receive and explore your Project WILD guide, try out more activities, ask questions, and make a plan to incorporate WILD into your world!
