

## **California Naturalist Conference - PLT Educator Workshop**

### **Day 1 Virtual portion**

***Tuesday October 4, 2022***

***10am-12pm, 3pm-5pm***

#### **10:00 Introductions “Favorite Tree Memory”**

*Participants introduce themselves and say why they decided to sign up for workshop. As an icebreaker we share our favorite memory with a tree.*

#### **10:30 History of PLT Presentation**

*Brief PowerPoint presentation of the history, mission, and goals of PLT.*

#### **10:45 Goals and Takeaways for Workshop**

*Poll of what participants want to get out of it so we can make sure to incorporate that into workshop (ex. practice activities, lesson planning, conversations about EE)*

#### **11:00 “5 E’s and Environmental Education”**

*Example of 5 E’s and how to incorporate these into “Explore Your Environment”*

#### ***5 minute bio break***

#### **11:30 Breakout Rooms (split into grade level or interests)**

*Discussion over how they can see themselves using PLT with existing curriculum*

#### **11:45 Goodbyes and sharing how workshop will look**

*Send out “Participant Background Info” survey*

*<https://surveys.ucanr.edu/survey.cfm?surveynumber=35240>*

## **Day 2 In-Person**

***Friday October 7, 2022***

***1pm-4pm***

**1:00pm - Icebreaker** (Jonelle and Cyndi)

TBD

**1:20pm - “Birds and Bugs”** (Jonelle)

Activity on camouflage in ecosystem

**2:00pm - “Every Tree For Itself”** (Suela)

How Trees compete for resources

**~15 or 20 min break** (time to look at guides)

Can work on “Hike the Guide” activity if they want. Will also have additional resources out to view.

**2:20pm Pam** “Peppermint Beetle”

**3:00pm Cyndi** “Web of Life”

Connections in the ecosystem

**3:20pm** Evaluations

Will handout link or give out hard copy

**3:30pm** Discussion on Activities & Takeaways

How they can see themselves using this. What their favorite activity was.
