United States Department of Agriculture

Farm Service Agency (FSA) Overview

FSA delivers farm program/loans to help agricultural producers and partner organizations provide food, fuel, fiber

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Getting Started with FSA

Determine Your Needs

- Disaster Assistance
 - Livestock losses; Property, equipment damage
- Commodity, Price Support
 - Protect against market losses
- Conservation Efforts
 - Protect endangered wildlife; Reduce erosion
- Farm Loans
 - Start new operation
 - Expand production, equipment
 - Begin specialty/niche operation
 - Sustain farming operations

Noninsured Crops Disaster Assistance Program (NAP)

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- Available for crops not covered by RMA
- Financial assistance to producers of non-insurable crops impacted by natural disaster resulting in lower yields, crop losses, or prevents crop planting
- NAP Coverage must be purchased by crop application closing date : September 1 for Native Grasses
 - Example: 2022 NAP Grazing needs to be purchased by September 1 2021.

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- Basic coverage
 - 50% yield at 55% price
- Service Fees 2018 Farm Bill
 - \$325 per crop, or
 - \$825 per person per administrative county, or
 - \$1,950 for producer farming in multiple counties
 - Beginning Farmer, Socially Disadvantaged, Women or Limited Resource Farmers may qualify for service fee waiver
- Native Grass for Grazing is not eligible for buy-up protection

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- Eligible Causes of Loss Include:
 - Drought (irrigated grazing does not qualify)
 - Excessive Wind/Tornado/Hurricane
 - Freeze
 - Hail
 - Flood/Excessive Moisture
 - Earthquake
 - Conditions related to damaging weather or adverse natural occurrence; disease, insect infestation, heat, insufficient chill hours

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- After purchase, Producer must:
 - Timely report/certify crop acreage
 - the earlier of 15 days prior to grazing or July 15
 - File Notice of Loss within 15 days of loss being apparent and no later than 60 days after coverage period ends

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- **Establishing Grazing Loss**
 - Collective losses determined throughout the grazing period and loss not determined until after the end of the grazing period
 - Percentage loss determined by 2 independent assessments, OR
 - Alternative loss methods approved and determined appropriate by DAFP
 - COC recommends loss percentage to the State Office Committee
 - STC concurrence with loss determination

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Noninsured Crop Disaster Assistance Program (NAP)

- When to expect payments:
 - COC establishes grazing loss percentage after end of grazing period
 - STC Concurs
 - Producers with an eligible Notice of Loss are paid

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- Provides benefits to livestock producers for grazing losses due to a qualifying drought condition during the normal grazing period for the county, for livestock on land that is native or improved pastureland for grazing
- Payments are calculated at 60 percent of the smaller of the monthly feed cost payment rate per head or the monthly feed cost based on the normal carrying capacity of the eligible grazing acres

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- **How to Apply for LFP**
 - Signup is triggered by Drought Monitor by County. A map of eligible counties for LFP drought can be found at fsa.usda.gov/programs-and-services/disaster-assistance-program/livestock-forage/index
 - Call your County FSA Office for appointment, most likely will be handled by email, mail, fax
 - File an application for payment and supporting documentation within 30 calendar days after the end of the calendar year in which the loss occurred
 - Application Deadline is January 30, 2022 for 2021 losses
 - Lassen Plumas Sierra currently are taking applications.

The screenshot shows the U.S. Drought Monitor website for California. The browser address bar displays the URL: <https://droughtmonitor.unl.edu/CurrentMap/StateDroughtMonitor.aspx?CA>. The page title is "U.S. Drought Monitor" and the sub-page title is "California". The navigation menu includes "Current Map", "Maps", "Data", "Summary", "About", "Conditions & Outlooks", "En Español", and "NADM". The main content area features a map of California with drought intensity levels indicated by colors. A legend titled "Intensity" provides the following categories: None (white), D0 (Abnormally Dry) (yellow), D1 (Moderate Drought) (orange), D2 (Severe Drought) (red-orange), D3 (Extreme Drought) (red), D4 (Exceptional Drought) (dark red), and No Data (grey). The map shows that most of California is in the D3 or D4 category. To the right of the map, the text reads: "Map released: Thurs. June 10, 2021" and "Data valid: June 8, 2021 at 8 a.m. EDT". Below the map, the "Authors" section lists: "United States and Puerto Rico Author(s): Brian Fuchs, National Drought Mitigation Center" and "Pacific Islands and Virgin Islands Author(s): Richard Tinker, NOAA/NWS/NCEP/CPC". A blue box contains the text: "The Drought Monitor focuses on broad-scale conditions. Local conditions may vary. See accompanying text summary for forecast statements." At the bottom, there is a "Map Download" section with icons for "No text", "PNG", and "SVG". Below this, there are icons for "Legend" and "Legend and statistics table", each with "PNG", "PDF", and "SVG" options.

USDA is an equal opportunity, employer, provider and lender

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- Eligible Livestock Producers
 - must be a U.S. citizen, resident alien, partnership of U.S. citizens, a legal entity organized under State law, or an Indian tribe or tribal organization
 - must legally own the eligible livestock 60 days prior to the beginning date of qualifying drought
 - must own, cash or share lease acreage during the 60 calendar days before the beginning date of a qualifying drought

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- Eligible Livestock

- Beef Cattle
 - Dairy Cattle
 - Beefalo
 - Bison
 - Horses
 - Poultry
 - Sheep
 - Goats
- Other livestock as determined by Sec. of Agriculture

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- Livestock Eligibility Requirements
 - Livestock must not have been produced for reasons other than commercial use as part of farming operation
 - Excluded livestock includes wild free-roaming animals, pets or animals used for recreation purposes such as hunting, roping, or show
 - Not have been livestock that were or would have been in a feedlot on the beginning date of the qualifying drought or fire as part of the normal business operation

USDA is an equal opportunity, employer provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

- Application Requirements
 - Participant must provide a completed application for payment and required supporting documentation within 30 calendar days after the end of the calendar year in which loss occurred
 - Supporting documents must show evidence of loss, current physical location of livestock in inventory, evidence that grazing land or pastureland is owned or leased
 - Timely file an acreage report for all grazing land for which a grazing loss is being claimed

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Forage Disaster Program (LFP)

Payments

FSA will calculate LFP payments for an eligible livestock producer for grazing losses because of a qualifying drought equal to payment factors of one, three, four or five times the LFP monthly payment rate. The LFP monthly payment rate for drought is equal to 60 percent of the lesser of either the monthly feed cost:

- For all covered livestock owned or leased by the eligible livestock producer; or
- Calculated by using the normal carrying capacity of the eligible grazing land of the eligible livestock producer
- Total LFP payments to an eligible livestock owner or contract grower in a calendar year for grazing losses will not exceed five monthly payments for the same livestock

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

- Provides emergency assistance to eligible producers of livestock, honeybees and farm-raised fish for losses due to disease (including cattle tick fever), adverse weather, or other conditions, such as blizzards and wildfires, as determined by the Secretary of Agriculture, not covered by LFP and LIP.

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

- Covered Losses:
 - Livestock Feed Losses due to fire
 - Livestock Grazing Losses due to fire
 - Livestock Water Hauling due to drought
 - Honeybee Colony Losses due to CCD, fire
 - Honeybee Hives Losses due to fire, flood
 - Honeybee Feed Losses due to Drought, fire

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

- Application Requirements – for 2021 Water Hauling Losses:
 - Contact your local County FSA Office
 - Must provide Notice of Loss within 30 calendar days of when loss is apparent to producer
 - Complete application for payment and provide required supporting documentation for loss no later than November 1, 2021

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

- Payment Calculated on the lesser of:
 - The cost to transport water for 150 calendar days
 - Daily Livestock Water Requirements
 - x Eligible Animal Units
 - x National Average price per gallon
 - x 150 calendar days

OR

- The cost to transport water based on actual number of gallons transported
 - Actual number of gallons transported
 - x National Average price per gallon

USDA is an equal opportunity, employer, provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)

| Method of Transporting Water | National Average Price/Gallon |
|-------------------------------------|--------------------------------------|
| Personal labor/equipment | \$0.035 |
| Hired labor/rented equipment | \$0.05 |
| Contracted water transportation | \$0.07 |

| Kind | Type | Weight Range | Daily Water Requirement Per Head (Gallons Per Day) | Daily Water Requirement Per AU (Gallons Per Day) |
|-------------|-------------|---------------------|---|---|
| Beef | Adult | Cows and Bulls | 18 | 18 |
| | Nonadult | 500 pounds or more | 9 | 18 |
| Dairy | Adult | Cows and Bulls | 30 | 15 |
| | Nonadult | 500 pounds or more | 15 | 15 |
| Equine | All | | 12 | 12 |
| Goats | All | | 4 | 16 |
| Sheep | All | | 4 | 16 |

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Indemnity Program (LIP)

USDA is an equal opportunity, employer,
provider and lender

USDA is an equal opportunity provider, employer, and lender.

United States Department of Agriculture

Livestock Indemnity Program (LIP)

- Provides benefits to livestock producers for livestock deaths in excess of normal mortality caused by:
 - adverse weather (drought is ineligible)
 - Eligible disease (disease exacerbated by adverse weather)
 - Eligible Attack (by animals reintroduced into the wild by Federal Government or protected by Federal Law including Wolves and Avian predators)
- provides assistance to eligible livestock owners that must sell livestock at a reduced price because of an injury from an eligible loss condition
- Payments are equal to 75 percent of the average fair market value of the livestock
- A livestock owner must have legally owned the livestock on the day the livestock died and/or were injured by an eligible loss condition

United States Department of Agriculture

Livestock Indemnity Program (LIP)

National Normal Mortality Rate Table

Beef

- Nonadult
 - Less than 400 pounds. 5 percent
 - 400 pounds or more. 5 percent
- Adult
 - Cow 1.5 percent
 - Bull 1.5 percent

Sheep

- Rams 4 percent
 - Ewes 4 percent
 - Lambs 10.7 percent
-
- Example: Producer owned 100 head of adult beef cattle on the beginning date of an eligible loss condition.
 - normal mortality is 2 percent
 - 5 head were lost
 - $100 \text{ head} \times 2 \text{ percent} = 2$ (loss threshold)
 - $5 \text{ head lost} - 2 \text{ (loss threshold)} = 3$ head adult beef cattle eligible for payment.

United States Department of Agriculture

Livestock Indemnity Program (LIP)

Applying for LIP

- Contact County office and file a notice of loss within 30 calendar days of when the loss of livestock is first apparent
- In 2021 may apply for LIP benefits in the physical location county where the loss occurred.
- participants must provide acceptable documentation of livestock deaths or injuries such as:
 - rendering truck receipts or certificates
 - veterinary records
 - records assembled for tax purposes
 - private insurance documents
 - bank or other loan documents
 - contemporaneous producer records existing at the time of event
 - pictures with a date
 - brand inspection records

Disaster Assistance Emergency Conservation Program (ECP)

Rehabilitate farmland damaged by natural disaster

United States Department of Agriculture

Overview

- The Emergency Conservation Program (ECP), administered by (USDA) Farm Service Agency (FSA), provides emergency funding and technical assistance to farmers and ranchers to rehabilitate farmland and conservation structures damaged by natural disasters and implement emergency water conservation measures in periods of severe drought

United States Department of Agriculture

Emergency Conservation Program (ECP)

Cost-Share Payments

- Cost-share payments are:
- Up to 75 percent of the cost to implement approved restoration practices;
- Up to 90 percent of the cost to implement approved restoration practices for producers who certify as limited resource, socially disadvantaged or beginning farmers/ranchers;
- Limited to \$500,000 per person or legal entity per disaster;

United States Department of Agriculture

Emergency Conservation Program (ECP)

Eligible Farmland Restoration Practices

New Policy !!! New for 2021 ECP is No longer available on Federal Lands

- Removing debris from farmland (cleanup of wind- or water deposited debris, such as woody material, sand, rock and trash on cropland or pastureland);
- Grading, shaping or leveling land (filling gullies, releveling irrigated farmland and incorporating sand and silt);
- Restoring fences (livestock cross fences, boundary fences, cattle gates, or wildlife exclusion fence on agricultural land);
 - Restoring conservation structures (waterways, terraces, diversion ditches and permanently installed ditching system); and
- Providing emergency water during periods of severe drought

Emergency Conservation Program (ECP)

What to do if a Disaster Occurs

- Producer or USDA Documents damage with dated photographs, videos and third-party verification.
- Producer reports to a local Service Center as soon as possible to request assistance (immediate restoration applies only to emergency situations such as putting up fencing to confine livestock).
- The county FSA office will provide guidance on the approval process and next steps
