Plumas and Sierra County Disaster Livestock Access Program

Flow Chart

Disaster Strikes

The county may experience a range of disasters include fires and floods that could prompt the need for commercial livestock operators to utilize the program.

Emergency Declared

Emergency personnel issue evacuation warnings and establish zones.

Passes Granted Access

Sheriff/Cal-Fire will grant access for pass holders. Notification will be provided to pass holders.

Notification of Impact

Contact Ag Department or UC Cooperative Extension about livestock in Zone and Request to Use Pass

Livestock in Zone

Your commercial livestock or bee hives are behind evacuation lines.

Roadblock

Driver will provide pass at roadblock. Enter and exit from same roadblock each day.

Removing Livestock

If you plan to remove livestock via stock trailer or semitruck please coordinate with Ag Department or UC Cooperative Extension so we can inform emergency services at roadblocks to prevent theft.
