

Shasta College Master Gardeners

Project Suggestion

If you would like to propose a gardening project for the Shasta College Master Gardeners, please circle/supply an answer for each question:

1. Your Name _____ Phone Number _____

2. What Address would this project take place?

3. Please give a short description of your community project idea:

4. Is it an on-going or short term project? _____

5. When could this be done? _____

6. If possible, please estimate how many gardener hours of work this might entail: _____

7. What is the estimate for materials or fund available? _____

8. Have appropriate approvals been obtained? Yes No

9. Does it benefit the entire community? Yes No

10. Is it within our tri-county area? Yes No

11. Please explain why this would be a good community project, including educational benefit:

12. Please supply a picture of the garden area (optional)

Thank you for taking the time to suggest a project. Please submit your suggestion as soon as possible.,
Consideration for projects is on a first come first served basis, and will be done at board of Directors
monthly meetings.

Please send your suggestion to our project coordinator, Philip Baldwin, 10226 Rocking Horse Lane,
Redding, 96003
