

- Gold Ridge RCD's Great Plains 6-Foot No-Till Drill sign-ups to rent starting on **September 28<sup>th</sup>, 2012.**

## No-Till Drill Rental Sign-Ups

Do you think No-Till could work for you?

- Do you want to increase forage production?
- Is your pasture in need of reseeded?
- Are you interested in planting wildlife mixtures?
- Do you want to increase the water holding capacity of your soil?

### Benefits of using a No-Till Drill:

- Reduces non point source pollution
- Reduces soil erosion
- Protects water quality
- Reduces chemical runoff
- Reduces soil compaction
- Permanent ground cover
- Soil retains moisture

The drill is currently located in Bodega, CA.  
The renter is responsible for the pick-up and drop-off of the drill.
