

SHORT-TERM PROJECT SCHEDULE - SUMMER 2021

Thursday, June 17th

10:00AM - 1:00PM

Outdoor Scavenger Hunt at Helen Putnam Park

Join our 4-H Project Leaders in a nature Scavenger Hunt as you hike at Helen Putnam Regional Park in Petaluma. Learn about the fauna, the flora, and how to use a compass in a morning full of fun. The hike will be about 3 miles, so be sure to pack a water bottle and sunscreen. Hiking clothing and closed toed shoes are HIGHLY recommended. This activity is for youth 5-14 years old. Parents are welcome to join!

Monday, June 21st to Thursday, June 24th

9:00AM – 12:00PM

Science and Sports Outdoor Camps at Kaiser Park in Windsor

This half-day camp will focus on STEM activities based on space exploration. Youth will build rockets, catapults, and engage in hand-on activities. Sports and games will be led by staff to ensure a fun, and supportive environment for all campers. This camp is for youth 6-13 years old.

Wednesday, June 23rd

10:00AM – 3:00PM

Robotics Program at Credo High School, Rohnert Park

Youth will learn about how a robotics competition is put together and will also put together a small robot car as they grow their understanding of robotics. This activity is for youth 9 and older

Monday, June 28th & Wednesday, June 30th

9:00AM – 11:00AM

Soccer Camps at A Place to Play Park in Santa Rosa

*For beginners and experienced players alike! A fun 4 hour program that will run participants through drills and activities to help them improve their skills and have fun, while promoting a healthy lifestyle! *Soccer cleats aren't required but recommended* This activity is for youth 5-12 years old*

Tuesday, July 6th & Thursday 8th

10:00AM – 12:00PM
