

Please join us for the North Coast Olive Field Day! Activities are just a short walk through the orchard to McEvoy Ranch's Milk Barn. The field day offers an opportunity for attendees to move freely between tables interacting and learning about the latest research on olives. Visit all eight tables to be entered into a raffle for a McEvoy Gift Basket. A light breakfast with coffee and lunch will be served. Registration Required! This event will sell out.

**\*\*This is an outdoor event, please wear appropriate shoes for the field and bring a hat\*\***
