

CA Small Agricultural Business Drought Relief Grant Eligibility Tree

Does your small business qualify as a “small farm” **AND** do you hold an identity that is included in the “socially disadvantaged group” designation?

- You meet the “small farm” requirement if you made at least \$1,000 but no more than \$350,000 in gross cash farm income for 2019 and 2022
- You qualify as being a member of a “socially disadvantaged” group if you identify with a racial, ethnic, or gender group that has been subjected to prejudice because of those identities

Yes

Did you experience a decline in annual gross profits of **10% or more** when comparing the 2022 taxable year to the 2019 taxable year?

Yes

No

Sorry, you do not qualify at this time

You are likely eligible for drought relief assistance under Group 1

*Please use this link to find out more information and apply for this grant program <https://cadroughtfloodrelief.com/drought/#grant-funding-rounds|0>

*If you'd like assistance with this application, please reach out to the relevant UC Small Farm Network contact for your region (see the appendix for contact info)

No

If you identify with one of these two groups but not the other, you may still be eligible for drought financial assistance.

Do you operate a small agricultural business that would be classified as:

- Examples: Crop production, cattle ranching and farming, wineries, nursery, farm supplies, animal husbandry, fresh fruit and vegetable wholesale/distributor/processor
- For a complete list, please see the Appendix titled “North American Industry Classification System (NAICS)”

Yes

No

Sorry, you do not qualify at this time
