S A M P L E S	<p>Ourtown's Susie Jones has an owl box in her backyard. She can hear a variety of owls outside at night. For her stuffed entry, she upcycled a pair of old jeans to create a blue jean owl. Susie is a teen leader in Clover 4-H's Wildlife project and has given presentations on the various types of owls in our county.</p>	<p>Susie of Clover 4-H went to many shops to assemble this fun summer outfit for less than \$32. She enjoyed shopping with friends and finding many treasures to add to her wardrobe. Susie will wear her outfit to school and summer events. Susie's outfit was purchased for about 23% of its original value of at least \$137. Great shopping Susie!</p>	<p>Purple is Susie's favorite color. She crocheted a lacey lavender circular scarf. Next, Susie designed and created a multi-layered, two-toned hair clip. With her leftover purple felt and yarn, Susie decided to make a coordinating purse. She had fun designing her creations and looks forward to wearing them with the purple clothes in her wardrobe.</p>	<p>Thirteen year old, Susie combined her love of art and cats to create this feline themed embellished summer outfit. She made her own stencils to paint cat related shapes on her skirt and shirt. She added a golden cat pin to her headband. Susie transformed a plain white t-shirt and jean skirt into a fantastic feline fashion statement. It's purrrrrfect!</p>
