Staff Assembly Current e-news: Educational reimbursement applications due Oct. 31

This is your monthly Staff Assembly e-newsletter, distributed on the second Tuesday of each month. As staff members at UC Agriculture and Natural Resources, you are ALL part of UC ANR Staff Assembly. We on the Staff Assembly Council help advise senior leadership and advocate on your behalf, and we also organize programs and events that promote your professional development and personal growth. (Note: Academics are members of our counterpart entity, Academic Assembly.)

Applications due Oct. 31 for reimbursements for career/professional development

UC ANR Staff Assembly provides financial assistance for career and professional training and development through an Educational Reimbursement Program. If you participated or will participate in a training/development activity between April 16, 2022 and Oct. 31, 2022, the deadline to apply for reimbursement for this cycle is 5 p.m. on Oct. 31, 2022.

All ANR career staff employees (represented and non-represented) who have completed the probationary period are eligible to apply, as well as all UCCE County paid staff employees in good standing.

Reimbursement funds (up to $499 per person, per cycle, dependent on number of applications received) can be used to cover course/tuition/registration fees required for certification or degree attainment, registration fees for workshops or seminars, or books and materials for career development.

The next reimbursement cycle runs from Nov. 1, 2022 to April 15, 2023.
