# NATIONAL 4-H WEEK

## with gift to pet rescue

National 4-H Week was Oct. 7-13. It's a very important week to 4-Hers! National 4-H Week is a time, once a year, when everyone sports their club t-shirts and shows their support for 4-H.

This year, the National 4-H Week

theme was "Inspire Kids to Do," which is why the Star Route 4-H Club decided to donate to Man's Best Friend. Also known as Dee's Rescue, this animal-loving organization pet-sits, grooms and sets up adoptions for homeless animals.

Located on Evan Hewes Highway, Man's Best Friend is always in need of food and cleaning supplies for their many cats and dogs. To cele-

brate National 4-H Week, members of the Star Route 4-H Club donated Pedigree Dog Food, Purina Cat Chow, and cleaning supplies.

This non-profit organization is always looking for donations. Please consider donating to Dee's Rescue today!
