Attendance Requirements for Fair!

As a reminder, if you want to participate in the County Fair, you must have 80% attendance in both club and project meetings. You may make up club meetings by attending another club’s meeting and reporting about it at your own club meeting. If you think your attendance is low and you may need to take advantage of this opportunity, please contact your club leader.

For more information about the attendance policy in Tuolumne County please see our Regulations to the Steps to Success at: http://cecentralsierra.ucanr.org/files/115394.pdf Also, keep an eye on the weekly updates and be in contact with your club and project leaders so you know of important dates leading up to fair!

Additional Requirements

In addition to your club and project attendance, you must attend one County Wide Event and turn in a minimum record book. Talk with your club or project leader if you have questions about these.

County Wide Events Include

Tractor Supply Field Days, Everything But Animals Day, County Presentation Day, and Fashion Revue
