4-H DRIVE THRU DINNER
Monday, January 21, 2019, 4-6:30 PM
Mother Lode Fairgrounds, Sierra building

The Drive Thru Dinner is a fundraiser for Tuolumne County 4-H Council for leadership conferences and 4-H events. All money received is a donation to 4-H Council. All 4-H members are encouraged to sell tickets and all 4-H families are invited to help put on the dinner.

The complete dinner for $40 includes a whole seasoned & barbecued Tri-tip, quart of Cowboy Beans, loaf of Garlic Bread, and bag of Salad with dressing. Extra cooked tri-tips are $25. The dinner and extra tri-tips are pre-sale only. The chocolate and lemon loaf cakes, $6 for one or $10 for two, are available during the dinner while supplies last (no pre-sales).

Ticket packets were checked out to 4-H members at the November club meetings. As you sell tickets, remember to clip the payment to the stub and keep them in your envelope. You are responsible for all the tickets you checked out! If you need additional tickets, contact your Club Leader or Club Ticket Chairperson.

Please bring your ticket envelope to your December club meeting. A representative of the Drive Thru Dinner Committee will be there to check in any sold ticket stubs with payments. This allows us to get started on the Dinner spreadsheet and purchasing of supplies. Final turn-in of ticket stubs with payment and any unsold tickets is at your January club meeting for Cloverleafs, Highlanders, and Foothill. If you are still selling tickets that week, the very last turn-in is to the 4-H Office by 5 PM on Friday, January 11. The committee will be at the 4-H Office from 3:30-5 PM on the 11th to receive your tickets. Pioneers and Hi 4-H Club members, your club meeting is after the 11th so we will make arrangements with your club leader to meet you that week if you’re not able to turn in at the 4-H Office on the 11th. No sold tickets will be accepted after 5 PM January 11 as the food order must be completed. If you sell tickets and don’t turn them in by 5 PM on January 11, it is your responsibility to refund the money to your buyer.

Dinner ticket contest: Each member who sells at least $300 of dinners, extra tri-tips, or a combination of dinners and tri-tips will receive a movie theater ticket from 4-H Council. The top 3 sellers with at least $300 income will receive cash prizes - $100 to the top seller, $50 second place, $25 third place. All tickets must be turned in by the deadline listed above.

Besides selling tickets, be thinking about where and when you can help. Sign-up for shifts will be at your December club meetings. We recommend you sign up for a job rather than just show up to help, so we know we have a job for you. Help is needed that weekend on Saturday, Sunday and Monday to unload food & supplies, set up tables, wash & set up equipment, split/load/unload firewood, bake & label cakes, trim meat, season & refrigerate meat, open cans, mix & cook beans, flatten boxes for recycling, slice/season/wrap bread, barbecue meat, wrap meat, make salad dressing, dish up beans & dressing, assemble bags, clean kitchen Saturday/Sunday/Monday, sell cakes, track tickets, deliver meals to cars, wash & dry equipment, clean the building, haul & put away supplies & equipment.

Steps to Success - Tuolumne County 4-H

This document accompanies the STEPS TO SUCCESS IN 4-H effective 7/1/2015 for California 4-H, located at http://4h.ucanr.edu/files/210544.pdf. Each section below contains the California 4-H standards, followed by the policies of Tuolumne County 4-H.

1. MEMBER IN GOOD STANDING
For California: Complete the enrollment process and be enrolled in at least one project.
Comply with 4-H Member Code of Conduct.

For Tuolumne County: The policy for a Member in Good Standing is the same as California 4-H

A member in good standing may participate in all 4-H activities unless the project, event, or competition has rules announced in advance that may limit participation. For example, some events and leadership opportunities may have age limitations, some projects may have a limit on numbers of members or require purchase of supplies, and some competitive events require pre-qualification. See the handout or description for the specific activity for participation rules.

2. PROJECT COMPLETION
For California:
Be a member in good standing.
Complete a minimum of 6 hours of project instruction or more as required by the project leader.
Complete the Annual Project Report (APR) form.
Annually receive a year stripe and pin.

Primary members: youth aged 5 to 8 years, do not complete the APR. Record keeping is not required for project completion. Primary members receive a year stripe and pin for participation in a project. Project completion is not required.

For Tuolumne County:
To receive project completion credit, a Junior, Intermediate or Senior Member (age 9-18) must be a member in good standing, compete a minimum of 6 hours of project instruction or more as required by the project leader, and complete the Annual Project Report (APR) form. The APR must be signed by the project leader and turned in to either the Community Club leader or the 4-H office by June 15. A member who satisfies the requirements for completion of at least one project receives an annual year stripe and pin, awarded at Achievement Night.

Per state policy, a member is not required to attend Community Club meetings to receive project completion credit.

A Primary Member, age 5-8, receives a Primary stripe and year pin for being a member in good standing and participating in a project. Completion of the Primary Member Report Form is optional and not required.
A project leader may determine how many hours are required to complete the project depending on the goals of the project and skills taught. For example, learning how to care for an animal, work with it and show it (if that is the project goal) likely requires substantially more than 6 hours. However, if a youth is learning how to bake and decorate a cake this may only take 6 hours of project instruction. If the project leader requires more than 6 hours of instruction to complete the project, this shall be communicated to project members at or before the first project meeting.

To enroll in a project that is offered in a different club other than the member’s primary (home) club, the member must complete a “Project Sharing Form” and turn it into the 4-H Office by the first project meeting.

3. CLUB PARTICIPATION
For California: Be a member in good standing. No attendance requirement.

100% attendance pin for perfect club meeting attendance.

For Tuolumne County:
To participate in a Community club, the 4-H member must be in good standing (enrolled in 4-H, enrolled in at least one project, and comply with the code of conduct), and enrolled in the Community Club. There is no attendance requirement to participate in club meetings. There may be additional requirements to participate in club events or trips, which shall be announced at club meetings.

A member meeting the requirements above who attends all club meetings held during the program year is eligible to receive the 100% Attendance pin.

Community club attendance provides members with the opportunity to participate in leadership, community service, team building, citizenship, achieve personal growth, and serve on committees.

4. REQUIREMENTS TO EXHIBIT AT FAIR
For California: Complete Project Completion requirements.

Meet requirements as set by the county or fair.

For Tuolumne County:
To qualify to exhibit at the Mother Lode Fair or any other county, district, or state fair as a 4-H member, a member must:

Be a member in good standing. A returning member must be enrolled by October 15 and a new member must be enrolled by December 1.

Satisfy the project completion requirement of that project as determined by their project leader with at least 80% attendance at the project meetings. The project leader’s signature on the APR verifies this.

Meet the following minimum written record keeping requirements:
Steps to Success - Tuolumne County 4-H

Page 1 of the PDR is completed, all sections, with all signatures in place. The 4-H Story is written describing the member’s year in 4-H, minimum length one page.

All sections of the APR are completed and the form is signed by the member and project leader.

Expression page and photo with project animal is required.

The 4-H Story and APR are written by the member in the member’s own words. Another member or an adult may assist a member with special needs but this must be documented in the record book.

If the member is entering a market animal, the record book must include one photograph of the member with the animal.

The club and project leader must both sign the minimum record book before the member’s fair entry form is signed.

Meet the following minimum meeting attendance requirements:

- The member must attend 80% of all club meetings held during the program year. A new member must attend 80% of all club meetings held after the member enrolls.

- To meet the 80% attendance requirements, 20% of club meetings may be missed without an excuse and 20% of club meetings may be missed with an accepted excuse. An excused absence must be requested prior to the meeting to the club leader or designee.

- A member may make up an unexcused club meeting absence by attending another club’s meeting, having a note signed by that club’s leader verifying attendance, and returning the note to the member’s club at the next club meeting.

- The club leader’s signature on page 1 of the PDR verifies the member has met the required club meeting attendance.

Meet the following event attendance requirement:
