Register now for the 2010 State 4-H Leadership Conference, July 29 - August 1 at UC Davis. Open to 8th grade graduates & up, adult leaders and staff. Registration fee is $400. Forms are at the 4-H office or online at http://www.ca4h.org/conference/slc/. Forms and fee are due to the 4-H Office by June 14th.

EVENT ATTENDANCE
If you still need to attend a qualifying 4-H event to be eligible to show as a 4-H member at the Mother Lode Fair, you have two chances remaining.

The C.A.S.T. FISHING DERBY on June 12 is not a 4-H event but we are contributing volunteers so 4-H Council agreed that assisting at C.A.S.T. can count for your event requirement. You must call Linda Hembree at 532-8656 to RSVP. You will volunteer from 7 am to noon at New Melones Lake.

The HORSE CLINIC on June 13 is the last event to count. It begins at 8:30 am at Rock Creek Ranch. Bring your horse and lunch. The clinic is free and includes a guest speaker. Call Lori Mills for complete information and to register, 984-0447.

CONGRATULATIONS GRADUATES
Congratulations to all 4-H members graduating from 8th grade and high school and best of luck in the future! 4-H scholarships were awarded to

Emily Hamilton: Bonnie Scroggs scholarship for community service. Tuolumne Pioneers scholarship. South Central Section 4-H scholarship.

Jamie Smith: Jeanne Thompson scholarship for leadership. Tuolumne Pioneers scholarship.

Samantha Woods: Ros Roberts scholarship for life skills

JAMIE SMITH, STATE AMBASSADOR
After completing a written application, an oral interview and a power point presentation on 4-H service learning, Jamie Smith was chosen as a 2010-11 State Ambassador! He is only the eighth member from Tuolumne County to attain this rank, previously called Diamond Star. Others were George Hamilton in 1982, Ron Hamilton in 1984, Mark Sandner in 1996, Sierra Rodriguez in 1997, Melinda Crabtree and Shavonne O’Malley in 1998, and Emily Hamilton in 2009. Jamie will be installed in a ceremony at State Leadership Conference. We are very proud of you!

SUE MOORE IS RETIRING
It is with sadness that I announce that I am retiring from my position as 4-H Youth Development Program Manager effective July 1, 2010. I had been planning to retire in 2011, after completing 20 years because that was a goal I had set for myself. But Tuolumne County is facing unprecedented budget cuts that will affect every department. Our office only has 2 county employees and a small supply allowance, so any budget cut is devastating. The 4-H staff position will be cut to half-time for the new fiscal year. I will be working as a relief employee to finish up the 4-H year, be at the fair, and start to train my replacement. The plan is to have a new employee in the position by August 1st.

If you have spent any time around me, you know that I love 4-H! I love my work with the children and teens, I respect and support the volunteer leaders and I’m excited to watch the growth 4-H brings to both our youth and adults. I work for 4-H every day, often late into the night, whether I’m in the office, in a classroom or in the community. I plan to continue as a 4-H volunteer leader with my sewing project, Hi 4-H Haunted House and State Fashion Revue committee. I look forward to relaxing, having time for the gym and taking trips with my family. We bought kayaks and want to take them to Tahoe this summer. I’ll miss my staff job but not all the paperwork! I expect the 4-H community club program to continue under new leadership and for everyone to pitch in to keep it thriving. 4-H support for PM Clubs and the in-school projects will depend on the priorities and direction set by the UCCE County Director.

"4-H is a community of young people across America who are learning citizenship, leadership and life skills."
4-H SUPPLIES
4-H Council sells member supplies at cost. Green & white hats are $13. Hats are in sizes medium, large & XL. The white hat is for high school members. Some parents purchase white hats for 8th grade graduation gifts.

Regular and Clip Ties are $11, Scarves are $13. Or you can sew your own scarf. A complete scarf kit with fabric is $6.50 or you can get a free pattern, buy the patches for $2 and get your own fabric.

The 4-H record book cover is $4, but not required. We also have a cover insert for a 1” view binder for $1.50. The metal 4-H Member Gate Sign is $20, made for us by Amos Graphics.

If you have stripes, patches, medals or a star to put on your hat, consult the “4-H Hat Etiquette” on the UCCE office website for their placement. It is printed in the Tooter each year after Achievement Night.

The 4-H Office has some recycled white pants for free to any Tuolumne County 4-H members. They are in the office meeting room, so stop by during office hours 8-5 to look through the box. If your children have outgrown their whites, please remember our recycle box for your donations. We are very short on small sizes. The Fair allows exhibitors to show in dark blue or white pants.

FAIR SHOW UNIFORM
Each fair has different requirements. The Mother Lode Fair requires all livestock exhibitors to wear “whites”. This means white pants and a white shirt. Then each exhibitor adds specific garments which signify their organization affiliation. The fair also allows dark blue jeans.

4-H exhibitors should be wearing:

- Solid white collared dress shirt or blouse. Long sleeves are required for beef and rabbits. Others may be short sleeved. No tee shirts or sleeveless shirts. No low necklines. Shirt must be tucked into pants.
- White pants or dark blue jeans. They should be clean and neat. No hip huggers or low-rise jeans.
- Official 4-H tie or scarf and 4-H white or green hat.
- Closed toe shoes. They do not need to be boots. Shoelaces must be tied.
- No gum chewing.
- Limited jewelry.
- Long hair pulled back neatly so the judge can see your face and your hair isn’t distracting.

4-H DOG SHOW
The County-wide Dog Project is having a judged Show on Tuesday, June 29 at 6:00 pm at Rotary Park.

All 4-Hers are invited to attend. This counts as a 4-H event attended (though not for fair eligibility since fair entries are due the 21st).

They need four teen members to help as Ring Stewards. Are you interested? Contact Jo-Ann Gritz at 532-7593. Stewards will need to arrive at 5:45. The show will last about 2 hours.

If you are interested in helping with the race, please join us on June 6 for a volunteer meeting from noon to 2:30 at Mother Lode Christian School. You will learn more about how the event is run, and we will conduct training sessions for specific groups (scoring, topside, finish line, course monitors, run out/car return). We will also conclude with a short simulated race in a comfortable room so everyone is well prepared. We would like to have ALL volunteers attend this meeting.

We are especially in need of some strong teens to lift cars onto the return trailers. We need 4 boys to volunteer for shifts from 9-noon and noon-3 pm on June 13. Can you help?

Please contact Mike Quinn (ncaasbd@comcast.net, 925-518-3461) or Jamie Smith if you have questions or can help (209-533-2764 or tuo.sbd@gmail.com).

FALL 2010 ENROLLMENT & THE TOOTER
This issue of the Tooter, June 2010, is the final mailed Tooter. All issues have been posted online since January 2004 and as more families have access to the internet we have had fewer requests for the mailed version. The Tooter will not be published in July or August, which means the September 2010 issue will be the first to be posted online only. Go to the website http://cetuolumne.ucdavis.edu, click on the 4-H clover, then go to Tooter newsletter. Enter your email address. If your family does not have internet access, please notify the 4-H office and these families, only, will receive their Tooter in the mail. There will be limited photocopies available at the 4-H Office. The cost of paper, photocopying, postage, and staff time for copying and assembling can be better utilized to keep the program running.

The 4-H enrollment fee for fall 2010 has been raised by California 4-H. It will be $15 per member and $6 per leader. All continuing families will be notified by email of the fall enrollment procedure, which hopefully will be conducted online. All new families will be asked for an email address for communications. If you know that you will not be continuing in 4-H next fall, please let the 4-H Office know. If you know of a family who would like to join 4-H next fall, please give their name, address and email to the 4-H Office. The phone number will remain 533-6990. At least through the summer, Sue’s email is samoore@ucdavis.edu.

CLUB RECORDS
Records are required from each club, due by county record book judging on August 7. The order they are received will determine the order for clubs at Achievement Night:
- Secretary’s book with meeting attendance and minutes
- Treasurer’s book with budget, monthly ledgers, receipts, bank statements, and audit
- Club Inventory
- Vice President: Club Goals
- The club outreach report is completed by the Club Leader & was due March 1.

These records are optional
- President’s Agendas
- Historian’s Scrapbook
- Reporter’s articles for the Tooter

Forms for Club Officers are on the UCCE Office website. In the 4-H section, look for the page with all the Club Officer forms.

MINIMUM RECORD BOOK
If you plan to enter the Mother Lode Fair in a 4-H class, you must complete at least a minimum record book with a project report for that project. This was printed on the Attendance & Record Keeping Policy which was attached to each enrollment form:

Minimum record keeping for Fair eligibility
To be eligible to represent 4-H at the Mother Lode Fair, or any other county, district or state fair, the member must satisfy the following minimum written record requirements:

Page 1 of the Personal Development Report is completed, all sections. It is signed by the member, parent and club leader.

The 4-H Story is written describing the member’s year in 4-H. Minimum length is one-half page.

All sections of the 2 page Annual Project Report are completed, with signatures of the member and project leader. The report should be written in your own words.

If the member is entering a market animal in the Fair, the record book must include one photograph of the member with the market animal.

The club leader’s signature verifies the member has met the club meeting attendance requirement. The project leader’s signature verifies the member has completed the project. The club leader and the project leader must both sign the minimum record book BEFORE the member’s fair entry form is signed.

If the minimum record book has not been completed, the 4-H member’s fair entry will be disqualified. This is for EVERY project entered into the fair.

COMPLETE RECORD BOOKS
Complete record books will include the 2010 Mother Lode Fair. July 15 is the last day to count activities. Your complete record book is due to your club leader by July 25. County record book judging will be August 7th. We hope to read some excellent record books at County Judging and recognize members with many awards.

4-H LIBRARY
Is there something you checked out months or even years ago from 4-H? We are missing several binders and books and a set of battery candles Please bring them in; no questions asked!
COOPERATION & ETHICS AT FAIR
All members, parents and leaders are encouraged to bring the spirit of cooperation with you each morning when you arrive at the Fair. While you are at the fair, you are representing Tuolumne County that you are cooperative, responsible, and that you have learned many things in your projects. 4-H is not about making money at the fair. 4-H is about learning, leadership and citizenship.

The Fair can be a wonderful learning experience if each person is allowed to find their own success. The measure of success is not the number of trophies or awards you have won, it is the knowledge and skills you have learned and the attitude that you display.

Members: Be careful with your appearance as well as your animal’s. Show uniform requirements are in this Tooter. Clothing requirements for the auctions are the same as for showing. Do not embarrass yourself or your project by wearing inappropriate clothing and being asked to change. Do not chew gum in the ring or during the auction. Remember that good manners are part of good sportsmanship.

Parents: Practice before the fair with your child, then let him/her do their best without commenting from outside the ring. It is not appropriate or ethical for you to assist your child while they are in the ring. The judge could even disqualify your child. Set a good example for your children. Adults acting or behaving in an inappropriate manner will be asked to leave.

Members: Thank your leader and the judge for helping you learn. Keep your experience positive, whatever place or ribbon you receive.

IRONSTONE CONCOURS D’ELEGANCE

Some of the proceeds from this vintage car show go to the 4-H programs in the 5 foothill counties. The Concours also supports FFA, Calaveras Fair scholarships and California State Fair scholarships.

The foothill counties have 4-H members participate by baking and donating cookies for gift bags, bringing displays, giving presentations, serving lunches, assembling gift bags, assisting with the auctions and handing out awards to the car show winners.

We would like to see many youth from our county attending the Concours to share your projects. Members who participate and one parent receive free admission. If you are interested, please contact the 4-H Office.

Adult admission to the car show is $20, children under 14 are free. A family ticket is $35 and there is a $2 off coupon at http://www.ironstonefoundation.org/buy.php

VOLUNTEER AT STATE FAIR
The California 4-H Foundation is recruiting 4-H members and leaders to help staff the 4-H booth at the State Fair from July 14 to August 1. This is a great opportunity to share with the public what 4-H is all about. You may bring small projects with you such as rabbits, arts/crafts, sewing, etc. Examples of service projects make for good stories to share with the public. Also bring photo albums or record books to show visitors. Parking passes and fair admission tickets will be provided to 4-H members and adults who sign up for a 2-hour shift. A maximum of 4 youth and 2 adults per shift will be allowed. Each shift must have two adults in the booth at all times. MOTHER LODE FAIR
Fair handbooks are available at the Fair Office and online at http://www.motherlodefair.org

NEW - PRIMARY SHOWMANSHIP
If you are a 4-H Primary Member, age 7 and up, enrolled in Rabbit, Poultry or Pygmy Goat project, you may enter small animal showmanship at the fair this year. Hooray - something for you to enter! However, you can’t bring your own animal because those classes are for regular members (complicated isn’t it!) Here’s what you should do
1. Make arrangements with a regular member who is entering a rabbit, chicken or goat to use their animal. Practice with that animal before Fair.
2. Fill out a Fair entry form for YOU, listing the Primary showmanship class you are entering and turn it into the Fair office by June 21. There is no fee. The division is #230. Class numbers are 1. Poultry, 2. Rabbits and 3. Pygmy Goats.
3. Come to the fair on the day and time of that animal show. Wear a show uniform (whites) and be ready when your class is called. Have fun!

EXHIBITOR MEETINGS
Important meetings are held Wednesday, after weigh-in so be there! 1:30 is for all livestock exhibitors and 2:30 is for small livestock exhibitors.

SHAVINGS
We don’t know yet if shavings will be provided at the Fair. The Junior Livestock Auction Committee is working on it. The Fair will notify project leaders when they know for sure.

LIVESTOCK PHOTOGRAPHS
All exhibitors selling an animal at Auction (large or small) are required to have their photograph taken, in show uniform, with their animal. Parents are requested to help get your youth and the animal to the photo area. If you want an additional photo for your family, be prepared to pay for it then. Be on time and in uniform. Tuck in your shirt, wear white pants, a belt and your 4-H hat.

Large animal photographs will be taken immediately after the market class. Extra photos for your family will be $10 each.

Small livestock photographs will be taken Friday from 8-10:30 am and 3-4 pm only. Extra photos are $5 each.

SATURDAY BUYERS’ RECEPTION
The Junior Livestock Auction reception will begin at 4 pm and the Auction at 5 pm. All auction sellers are asked to help pass out tea and lemonade in the stands.

SMALL LIVESTOCK BBQ
The barbecue for Small Livestock buyers is held after the Sunday auction at 4:30. All livestock families may purchase tickets. The menu is chicken, turkey, rabbit, salad, beans, garlic bread and watermelon. The cost is $8.00 for Adult or Child 12 & over; Child 6-11 $5.00, Under 6 free. Two complimentary adult tickets are given for every lot purchased.

SMALL LIVESTOCK PROCESSING
All families with Market Turkeys, Meat Birds and Market Rabbits will assemble at the Rabbit/Poultry barn at 6 am on Monday, July 12 to load animals for processing. Processing will be at Riella Farms near Manteca. You may bring your extra turkeys ($15 fee), meat birds ($5 fee) and market rabbits ($5 fee). More information will be available at the exhibitors’ meeting on July 7.

CHAPERONING AT FAIR
Every livestock exhibitor must have an adult chaperone. For 4-H members, the project leader is the official chaperone. Parents are expected to help, and may never drop off kids without prior arrangements for chaperoning. Have a central meeting place or a designated check-in time. In case of emergencies, 4-H Medical treatment forms will be in the livestock office.

LIVESTOCK LOANS
If you received a loan from the Sonora Rotary Club, it must be repaid within 10 days after the Auction checks are released. Bring your payment to the 4-H Office, with a thank you note to the Rotary Club. They would enjoy seeing a photo of you with your project animal.

PM CLUB TOURS
Summer PM Club will be touring the livestock barns on Friday morning, June 26 at 11 am. Can you help lead their tours or give a demo? Call the 4-H Office or see Sue Moore at the fair to sign up. This is good credit in your record book and it’s fun!

WHAT IF THERE’S A PROBLEM?
First talk to your project leader. If it is a 4-H issue, you can also discuss it with your club leader or Sue Moore. If it is a livestock issue, see Shelley Truelock, the Livestock Superintendent, Kim Helmbold, the large livestock Clerk or Dalaine Heagle, the small livestock Clerk. If it is a Jr. Livestock Auction issue, the committee President is Ron Hamilton. If it is a Small Livestock issue, the association President is Sue Moore. These people are all working together with 4-H leaders, FFA instructors, and volunteers to present a successful fair.
