In this project, youth learn about prevention and treatment of injury. Youth can participate in a variety of 4-H first aid and safety projects including emergency preparedness, first aid, CPR, food safety, cyber safety, risk management and more.

- Identify safety hazards, including those related to fire, water, dangerous objects, being home alone, and using the internet.
- Create strategies and learn skills to appropriately respond to emergency situations.
- Use safety knowledge and skills to make your community a safer place.

4-H THRIVE

Help youth:

Light Their Spark

A spark is something youth are passionate about; it really fires them up and gives them joy and energy. Help youth find how this project excites them.

Flex Their Brain

The brain grows stronger when we try new things and master new skills. Encourage youth effort and persistence to

Reach Their Goals

Help youth use the GPS system to achieve their goals.

Goal Selection: Choose one meaningful, realistic and demanding goal.

Pursue Strategies: Create a step-by-step plan to make daily choices that support your goal.

Shift Gears: Change strategies if you’re having difficulties reaching your goal. Seek

Reflect

Ask project members how they can use their passion for this project to be more confident, competent and caring. Discuss ways they can use their skills to make a contribution in the community, improve their
Expand Your Experiences!

**Healthy Living**
- Coordinate a countywide bike ride. Invite a local agency to discuss bicycle laws and safety.
- Partner with local police to stage a realistic car accident to increase awareness of science, technology, and mathematics.
- Increase awareness of online safety and set policies in your club to protect members against cyber bullying.
- Conduct a food safety experiment to measure microorganism growth in various food items.

**Citizenship**
- Create a video that identifies places in the community that make youth feel unsafe. Share your video along with recommendations for change at a County Board of Supervisors meeting.

**Leadership**
- Lead a park clean-up day, so that other youth have a safe outdoor space to play.
- Conduct a community safety day. Invite local health professionals to demonstrate first aid procedures, check bike helmets for proper fit and teach proper hand
