(PAGE SUBMITTED TO THE 4-H CLUB/UNIT LEADER AND RETAINED BY THE COUNTY 4-H OFFICE)

Please Note: The 4-H Online Record Book is open to youth ages 9 and above.

The California 4-H Youth Development Program (YDP) offers a high quality experience for young people based on the latest research on positive youth development. Information from the 4-H enrollment system and the 4-H Online Record Book may be used to help us better understand young people and improve the 4-H YDP in California. Participation in this project is voluntary and your child may participate in the 4-H YDP even if he/she does not participate in the research and program evaluation. Additionally, participants may decide to withdraw from the research at any time and this will not affect their participation in the 4-H YDP. If you provide permission, information about your child from the 4-H enrollment system and the 4-H Online Record Book may be used for research and program evaluation. There is no direct benefit to the participant; the information gained from the research may be used to help improve the program.

All survey and demographic information will be stored on a secure encrypted server with restricted access. Names and other identifying information will be removed from all files. Your child's participation will be kept confidential, and will not be identified in any publication or in any data files shared with other researchers. If you decide to withdrawal your child from the research all data will be withdrawn from the research database.
