

UC 4-H Presentation Program

# 2022 4-H Presentation Cycle

## Virtual Presentations

Public speaking is a cornerstone of UC 4-H program. Due to the pandemic, regional and state 4-H presentations will have both virtual and in-person options in 2022. If youth are doing a virtual presentation, they should adapt their presentations to take advantage of the technology, including designing slides, keeping the audience's attention, and handling technology problems. The revised

[UC 4-H Presentation Manual \(2021\)](#) offers tips for youth presenters on presenting virtually (page 11).

## Qualifying for Regional & State Presentations:

- Youth who earn a blue or gold award are eligible to progress from county to regional and regional to state.
- Youth do not have to qualify in a specific presentation format (in-person/virtual).
- Youth do not have to present in the same format as they qualified, in order, to move to the next event.
- Youth who qualify may move onto virtual or in-person formats for Regional and/or State depending on personal needs and availability.
