Need a CA driver's license or ID, doesn't need to be "Real ID", or military ID

If not "Real ID" will need additional doc like Passport or birth cert.

Firearm purchase after Jan 2014; already in AFS system

If in AFS "eligibility" system, \$1/check, takes about 1-2 minutes

If not in AFS system, full background check like firearm purchase, \$19/check, takes days

"Full" background check does not add you to eligibility system, only registering a firearm
