

## 2024-2025 REQUEST FORM to continue in Star Rank Program

The California State 4-H now mandates that to continue in the Star Rank Program, you need to have completed your Silver Star Rank by June 30, 2024. Since LA County 4-H members were unaware of this requirement, LA County 4-H is allowing members to request to continue in the Star Rank Program this year if they completed their Bronze Star Rank by June 30, 2023.
