Leader
Representatives*

To our 4-H family,

As you know, the Southern California area is experiencing emergencies as a result of the wild fires to the north and the east.

LA County 4-H County Council had scheduled a County Council meeting this morning at 10:00 a.m. and a few of us were on the telephone early this morning trying to contact 4-H staff regarding the status of the County Council meeting. I had discussed the option with Rachel Surls, County Director that we go ahead with the meeting but use the conference call option because the Freeways were closed because of the fires. Rachel did send out an emergency email through the 4-H listserve to announce that the council meeting was going to go on but would be via teleconference call. The meeting begin promptly at 10 o'clock with a quorum on the telephone and we were able to conduct our official business as normal and to announce other important news and reports amongst the participants. The minutes will be available within the next few weeks for the general community to read and gather information.

Sincerely,

Peter Michel

Peter C. Michel
LA County Council President
