

CalFresh Healthy Living UC

Program Highlights 2019–20

- Over 2,800 low-income Placer and Nevada Counties school children received nutrition education in their classrooms.
- 1,037 students participated in school gardens.
- \$580,948 in USDA grant funds supported CalFresh Healthy Living programs for low-income Placer and Nevada County youth.
- Nutrition Educators adapted to COVID-19 by providing resources to teachers, students, and families. These included worksheets, links to online activities, newsletters, virtual book readings, and physical activity “brain break” sessions.
