Junior Livestock Auction
Saturday, June 27, 2020

8 a.m.

Main Livestock Show Ring

The Shasta District Fair invites you to invest in 4-H and FFA this year.

Support youth in our area by becoming a buyer.

See you there....

THE JUNIOR LIVESTOCK AUCTION WHAT IS IT?

The Junior Livestock Auction is the climax of a year's project activities for 4-H and FFA members. As a learning and business experience, these young people have selected, fed, and groomed either a beef, lamb, hog, rabbit, meat goat or poultry. They have brought their project to the Fair to be judged, graded and sold. This is their market place. Here they present their stock and receive monetary value for their project and year of labor.

WHAT'S IN IT FOR YOU?

As a buyer, you are given a unique opportunity to invest in the youth of Shasta County. Buyers receive public recognition as supporters of 4-H and FFA. These two youth organizations are aimed at building leadership and responsibility in today's youth. As a buyer you are also assured of excellent quality meat. Part of your purchase may qualify for a tax deduction — check with your accountant.

BIDS

Bids are made in cents per pound on the official sale weight. The Junior Livestock Auction committee hopes that current market prices will be the minimum; however bidding is open and competitive.

WHEN YOU BUY

Through arrangements made by the sale committee, you can have your purchased animal processed and delivered to the local locker plant of your choice. If you wish to resell the animal at market price, this has been arranged for you. *When you resell, you pay only the difference between market price and your bid price. This difference in price may be tax deductible.* Members of 4-H and FFA are responsible for animals until they reach the processing plant. This includes feeding and care following the sale. These project animals have had the best care 4-H and FFA members can provide. The Junior Livestock Auction is a rare opportunity for adults to support two important youth programs, 4-H Clubs & Future Farmers of America.

Tri Counties Bank Cashiers will be at ring side to accept payments made at the sale: Payment at the time of sale is greatly appreciated. Invoices are mailed immediately after the sale and payment is due by **July 5th.**
