* (530) unless otherwise noted

The projects listed above are available to any Shasta County 4-H member, in addition to any projects available at their Primary Club (Members must enroll in a 4-H Club).

These projects have their own schedules and meeting dates and it's up to the member to keep communication open with the Project Leader as to meeting dates, etc. It's also a great way to interact with members from other clubs who have similar interests.
