Old Business

Record Books- There were still members who submitted the old record book Emerald Star ranking instead of the Spark Achievement. These members will have the option to convert their previous years points to the Sparks ranking for this program year.

Steer Workshop- Shasta Farm and Equipment hosted a Steer Workshop. It was a great event and well put together. There was a lot of information given. Shasta Farm and Equipment plans on hosting a Swine workshop in either October or November. This is a fair qualifier with leader approval but it cannot take the place of a monthly project meeting.

New Business

Food Safety Training-November- This is required for any club that plans on doing a fundraiser that involves food.

Valley Field Day Planning Committee Meeting-There will be a meeting planned for November and again in February. Dates TBD.

Bank Account Signers- The motion was made to add Mandy Bowers and Amber Bonner as Bank Account Signers. A motion was made by Xara Myers. Seconded by Carlie Paradis.

Adjourn / next meeting is October 18, 2023

Meeting was adjourned at 7:11 p.m. A motion was made by Amber Bonner. Seconded by Ally Trisdale.
