

## Ask the Advisor: Water and Irrigation Management

Do you have questions about scheduling, distribution uniformity, moisture monitoring, nozzles, pressure, or other related issues?

Are you interested in hearing how fellow growers are responding to issues in their operations?

Join Darren Haver, Loren Oki, and Gerry Spinelli for a panel Q&A session focusing on challenges and problem solving issues related to water and irrigation management for greenhouse and nursery growers. Registration is required to join the Zoom call.

**Date & Time:** 9/8/202, 10-11 AM PST
