

COOL SEASON FLOWERS for San Joaquin Valley Gardens
Master Gardeners of Tulare & Kings Counties

COOL SEASON FLOWERS brighten gloomy weather. They can be planted from early October into early spring. Most will flower only sporadically during the coldest months, but by early spring, will be ready to put on a glorious show to welcome the warmer weather. Here are a few of the more common flowers that do well in our area.

PANSY				
				
VIOLA				
				
SWEET PEA		SNAPDRAGON		
				
ICELAND POPPY		STOCK		
				

ENGLISH PRIMROSE

CYCLAMEN

DIANTHUS (Pinks)
