

Upload to YouTube

If you have a ucanr.edu please use your “ucdavis.edu” email address to create your own YouTube channel. Once your Adobe Connect files are converted and saved to your computer please follow the steps below to host them on your very own YouTube channel.

1. In any web browser go to www.youtube.com. Click the “Sign In”  link on the upper right hand corner and Sign into YouTube using your username@ucdavis.edu email address.
2. The next window that will appear is the UC Davis CAS window. Please log in using your UC Davis email address and passphrase.

The image shows the UC Davis Central Authentication Service (CAS) login page. At the top, the text "UC DAVIS" is written in large, bold, yellow letters, with "UNIVERSITY OF CALIFORNIA" in smaller blue letters below it. Underneath is "Central Authentication Service (CAS)" in blue. There are two input fields: "Username:" with a placeholder "username here" and "Passphrase:" with a masked password ".....". A dark blue "LOGIN" button is at the bottom.

Protect your campus computing account login ID and passphrase. Use them only for campus websites and campus online services.

UC Davis will never ask you to provide your passphrase via phone or email. A message that asks you to is probably a *phishing scam*. Delete it without responding.

Be extremely wary of messages that ask you to enter your passphrase into a non-UC Davis website. If you have doubts about a message or website, or think you have been tricked into submitting your passphrase or personal information, call the IT Express Computing Services Help Desk at 530-754-HELP (4357).
