

## 4-H Table Setting Evaluation

Entry # \_\_\_\_\_ Title: \_\_\_\_\_

Age: \_\_\_\_ Junior (9-10)  Intermediate (11-13)  Senior (14-18)

	<b>Level 1 (1 point)</b>	<b>Level 2 (2 points)</b>	<b>Level 3 (3 points)</b>	<b>Level 4 (4 points)</b>	<b>Points</b>
<b>Creativity/ Originality</b>	Table Setting did not show any originality or creativity	Table Setting showed minimal originality or creativity	Table Setting did show some originality and creativity	Table Setting was very original and creative	
<b>Coordination of Title/Theme with Menu/Decor</b>	Menu and decor did not coordinate with theme or title chosen	Menu and/or decor attempted to coordinate with theme or title, but did not do so effectively	Menu and decor was effectively coordinated with theme or title chosen	Menu and decor were very effectively coordinated with the theme or title chosen, adding depth to the period, place or setting	
<b>Workmanship</b>	Layout is messy and shows poor workmanship	Workmanship is marginal	Workmanship is clean and neat, but size constraints and limits may be exceeded	Workmanship is clean and neat, size constraints are adhered to	
<b>Correctness</b>	Tableware placement is consistently incorrect.	Placement of tableware is mostly correct, but some items are in the wrong place. It may or may not match the menu	Placement of tableware was correct but may not match the menu (e.g. salad fork provided but no salad in the menu)	Placement of tableware was correct and matched what was needed for the menu provided	
<b>Functionality</b>	Decorations would make it impossible to use the table setting	Decorations interfere significantly with the use of the table setting	Decorations interfere slightly with use of the table setting, but it is still easily useable	Decorations do not interfere with Intended use	
<b>Overall Appearance (Impact, Neatness)</b>	Table Setting was unappealing. It appeared messy/disorderly and the color and design had minimal or no impact	Table Setting was marginally appealing. It was somewhat neat and orderly. Color and design had a marginal impact on viewer	Table Setting was adequately appealing. It was neat and orderly. Colors and design had an impact on the viewer	Table Setting was remarkable in its appeal and appearance: very neat and ordered. Color and design had a significant impact on the viewer
