

Alameda County 4-H Program

Dear Community Partner,

In 4-H, youth design and participate in their own programs and activities. This unique learn-by-doing model teaches essential skills that youth will use throughout their lives. 4-H has a huge variety of projects that members can participate in! It's more than just animals! While some members do raise livestock and companion animals, many members participate in other activities such as STEM, healthy living, art, leadership, and music! 4-H is all about finding your spark and provides experiences to encourage our youth to explore many different opportunities. Programs like 4-H are a huge resource for the youth in our community.

We are reaching out to see if you would support Alameda County 4-H youth by donating to our fundraiser. The Annual Lucky Clover Auction (an online event) is scheduled to begin on March 11th and end on March 13th. We are collecting a wide variety of items to make into gift baskets. This includes new gift type items, themed baskets, art, cabin rentals, event tickets, the options are endless! Gift cards or certificates are also always greatly appreciated. The fundraising event will be open to the community as well as 4-H youth and their families if you would like to participate by bidding on items. You can find more details about the auction and the current list of items using the link below. <https://www.32auctions.com/2ndLuckCloverAuction>

To thank our generous donors, we will include your business name and your logo in our marketing and event materials, as well as on our 4-H websites, eNews, and social media channels at both the chapter and county levels. This will be in addition to all of the details and branding found on the fundraising platform and event page itself. 4-H is a 501(c)(3) non-profit organization and a tax ID will be provided with receipt.

[Alameda County 4-H](#) sincerely thanks you for your time and consideration.

With Warm Regards,

Alameda County 4-H

224 W. Winton Avenue, #134, Hayward, CA 94544 (510) 670-5639
