### **Peer-Reviewed Scholarly Journals, California Agriculture, ANR Publications**

1. UC Health Promotion Workgroup. (2002, July/August). Authored by Kaiser, L.L., Townsend, M.S., West, E.A., Steinberg, F.M., Joy, A.B., Brown, G.R., Feldman, N.I., Klenk, M.A., Williams, E.U., Garrett, C.L., **Martin, A.C.**, and Olivares, A. Focus groups show need for diabetes education among African-American adults, *California Agriculture*, 56 (4), 139-143.
2. NIEHS Berkeley Center COEP, California EFNEP and San Joaquin County EFNEP Program. (2002, December). *Healthy Decisions with Fruits and Vegetables*. A six-part series of nutrition education handouts in English and Spanish for low-literacy populations. Collaborators and co-authors: Wakimoto, P., Sutherland, B., Olivares, A., & **Martin, A.**
3. Kaiser, L.L., Klenk, M.A., **Martin, A.C.**, Olivares, A., Joy, A.B., & Melgar-Quinonez, H.R. (2003, January-March). Take care of yourself: diabetes-related health beliefs in low-income Latinos. *California Agriculture*, 57 (1), 8-12.
4. Kaiser, L.L., Klenk, M.A., Helzer, J.E., Feldman, N., Klenk, M., **Martin, A.C.**, Joy, A.B., & Olivares, A. (2003). *Take care of yourself! cuidese bien!: lessons to raise diabetes awareness in Latinos. a curriculum unit for nutrition education assistants*. Publication 3415. Division of Agriculture and Natural Resources. Davis, CA: University of California.
5. Kaiser, L.L., Melgar-Quinonez, H.R., Townsend, M.S., Nicholson, Y., Fujii, M.L., **Martin, A.C.**, & Lamp, C.L. (2003). Food insecurity and food supplies in Latino households with young children. *Journal of Nutrition Education and Behavior*, 35, 148-153.
6. Melgar-Quinonez, H.R., Kaiser, L.L., **Martin, A.C.**, Metz, D., & Olivares, A. (2003, May-June). Inseguridad alimentaria en latinos de California: observaciones de grupos focales. *Salud Publica de Mexico*, 45 (3), 198-205.

7. Kaiser, L., **Martin, A.**, Metz, D., Nicholson, Y., Fujii, M., Lamp, C., Townsend, M., Crawford, P.B., & Melgar-Quinonez, H. (2004, January–March). Food insecurity prominent among low-income California Latinos, *California Agriculture*, 58, 18-23.
8. Heneman, K., Block-Joy, A., Zidenberg-Cherr, S., Donohue, S., Garcia, L., **Martin, A.**, Metz, D., Smith, D., West, E., & Steinberg, F. (2005). A “Contract for Change” increases produce consumption in low-income women: a pilot study. *Journal of the American Dietetic Association*, 105 (11), 1793-1796.
9. Blackburn, M., Townsend M., Kaiser, L., **Martin, A.**, West, E., Turner, B., and Joy, A. (2006, January-March) Food behavior checklist effectively evaluates nutrition education. *California Agriculture* 60 (1), 20-24.
10. McMurdo, T., Kaiser, L., Shilts, M., Bruhn, C., Block-Joy, A., Steinberg, F., Sylva, K., Blackburn, M., Brown, G., Garrett, C., Klenk, M., **Martin, A.**, Olivares, A., Turner, B., and West, E. (2006). *Take care of your health: lessons on living with diabetes for African Americans*. Publication 3489. Division of Agriculture and Natural Resources. Davis, CA: University of California.
11. Kuyper, E., Espinosa-Hall, G., Lamp, C., Martin, A., Metz, D., Smith, D., Townsend, M., and Kaiser, L. (2006, Nov/Dec) Development of a Tool to Assess Past Food Insecurity of Immigrant Latino Mothers. *Journal of Nutrition Education and Behavior*. 38 (6), 378-382
12. Townsend, M., Sylva, K., **Martin, A.**, Metz, D., and Wooten Swanson, P. (May/June 2008) Improving readability of an evaluation tool for low-income clients using visual information processing theories. *Journal of Nutrition Education and Behavior*. 40 (3) Ms. Ref. No.: JNEB-D-07-00068R1 Online: [www.jneb.org](http://www.jneb.org)

13. Kaiser, L., **Martin, A.**, Blackburn, M., Metz, D., Smith, D., Donohue, S., Lexion, C., and Steinberg, F. (2009, August) Take Care of Your Health! An Extension Program to Prevent Diabetes. *Journal of Extension* v 47 (4) Article Number 4FEA5 Online: <http://www.joe.org/joe/2009august/a5.php>

*My role: As a member of the Health Promotion Workgroup, I co-authored lessons/activities and lesson handouts. The materials formed the basis of the “Tast-D Cooking for Your Health” program I conducted in San Joaquin County as an Assistant Advisor. I evaluated and helped analyze the results.*

14. Shilts, M., **Martin, A.**, and Townsend, M. Dose: Comparison of 6 and 12 Nutrition and Physical Activity Sessions Targeting Middle School Adolescents. (Winter 2009) *Journal of Youth Development: Bridging Research and Practice*. V 4 (4)  
Online: [http://data.memberclicks.com/site/nae4a/JYD\\_090404final\(r\).pdf](http://data.memberclicks.com/site/nae4a/JYD_090404final(r).pdf)

*My role: I conceptualized, designed and implemented this project as part of a research team led by Marilyn Townsend, UC Davis Nutrition Department. I supervised FSNEP Nutrition Educators recruiting the school, delivering the lessons, and evaluating the project. I provided feedback and helped analyze the results.*

15. Townsend, M., Keim N., Kuyper E., Smith D., Lamp C., Martin A., Metz D., and Kaiser L. (Summer 2009) Mothers' perceptions of portion size: Are they fueling the child obesity epidemic? Forum for Family and Consumer. v 14 (2). ISSN 1540 5273. Online: <http://ncsu.edu/ffci/publications/2009/v14-n2-2009-summer-fall/index-v14-n2-September 2009.php>

*My role: As a member of the Body Weight and Health Workgroup, I collaborated to conceptualize this manuscript, develop sections, provide feedback, and co-author.*

16. Development Team: Wakimoto, P., Yang, S., Peterson, L., Neville, L., Sutherland, B., Donohue, S., **Martin, A.**, and Schneider, C. (2009) Building Healthy Families: Nutrition Education for Hmong Families. California EFNEP.

*My Role I was co-P.I. on the UC ANR Core Issues Grant Projects, the Tri-County Child Obesity Prevention Project in the Hmong Population and the Hmong Healthy Families, which provided the background information and staff support to develop the curricula and activities. As part of the research team, I administered EFNEP and the Tri-County project funds; recruited and supervised project staff in San Joaquin County; collaborated to analyze results of focus groups and lesson delivery; assisted with project trainings for all counties/states involved; and provided feedback on project components from beginning to end.*

17. Kaiser, L., Martin, A., and Steinberg, F. (2010, January-March) Diabetes in farmworkers: What are the implications for occupational health and safety programs? California Agriculture.

*My role: As co-chair of the Health Promotion Workgroup, I collaborated to conceptualize the manuscript, wrote a section, and provided feedback on the other sections.*

### **Peer-Reviewed Abstracts**

18. Kaiser, L.L., Townsend, M.S., West, E.A., Steinberg, F.M., Joy, A.B., Brown, G.R., Feldman, N.I., Klenk, M.A., Williams, E.U., Garrett, C.L., **Martin, A.C.**, & Olivares, A. (2001, September). Diabetes awareness in African-American adults. *Journal of American Dietetic Association*. Nancy Feldman, MS, RD, presented at the American Dietetic Association Conference in St. Louis, Missouri, October 23, 2001.

19. Townsend, M., Crawford, P., Kaiser, L., Feldman, N., Fujii, M., **Martin, A.**, Lamp, C., Harwood, J., & Nicholson, Y. (2002, February 25-26). *Food insecurity is associated with overweight among Latino mothers*. ANR Human Resources Conference, San Jose, California.

20. Kaiser, L.L., Melgar-Quinonez, H.R., Townsend, M.S., **Martin, A.C.**, Metz, D., Nicholson, Y., Fujii, M.L., & Lamp, C.L. (2002, July). Estimated validity of a food security instrument in Latinos. *Society for Nutrition Education 35th Annual Meeting Proceedings 2002*, 35, Supplement 1, 30. Lucia Kaiser, Ph.D, RD, presented at the Society for Nutrition Education Meeting in Minneapolis, MN, July 28, 2002.

  25. Klenk, M., Blackburn, M., Brown, G., Donahue, S., Garrett, C., Kaiser, L., **Martin, A.**, Metz, D., Smith, D., & West, E. (2003, October). *A community based strategy to promote diabetes prevention and support for at-risk adults*. 2004 National Extension Association of Family and Consumer Sciences (NEAFCS) Annual Conference & Exhibits, October 3-6, 2004, Nashville, Tennessee.
  26. **Martin, A.**, West, E., Garrett, C., Klenk, A., & Brown, G. (2004, April). *Take care of your health: diabetes awareness and prevention*. 2004 Priester Extension Health Conference, Impacting Health and Wellness: People and Communities Changing Risk Behaviors, April 14-26, 2004, St. Louis, Missouri.
  27. **Martin, A.**, Wakimoto, P., Wei, N., Olivares, A., & Sutherland, B. (2004, July). Development of culturally appropriate nutrition education materials for the California Latino population. *Journal of Nutrition Education and Behavior Society for Nutrition Education (SNE) 2004 Annual Conference Proceedings, 36, Supplement 1, S51.*
  28. Cesario, K., Block-Joy, A., Zidenberg-Cherr, S., Donohue, S., Garcia, L., Metz D., **Martin, A.**, Smith, D., West, E., & Steinberg, F. (2004, July). Use of a contract for change to evaluate the effectiveness of nutrition education to increase fruit and vegetable consumption in low income women. *Journal of Nutrition Education and Behavior SNE 2004 Annual Conference Proceedings, 36, Supplement 1, S52.* Karrie Heneman, PhD, presented this poster for the group at SNE 2004 in Salt Lake City, Utah.
  29. Vogt, R., **Martin, A.**, Metz, D., Espinosa-Hall, G., Melgar-Quinonez, H., Smith, D., & Kaiser, L. (2004, July). Food insecurity and eating behavior among immigrant Latino women. *Journal of Nutrition Education and Behavior SNE 2004 Annual Conference Proceedings, 36, Supplement 1, S32.* Lucia Kaiser presented this poster for the group at SNE 2004 in Salt Lake City, Utah.
  30. Camozzi, M., Rioux, M., Trotter, A., Vang, E., Masai, L., Kim, H., Kirkpatrick, K., **Martin, A.**, Olivares, A., Wakimoto, P., & Block, G. (2005, March). Student-driven undergraduate research opportunities in community-based research in public health. Federation of American Societies for Experimental Biology (FASEB) *Journal*. Vol 19 No 5. p. A1023. Michelle Camozzi, Student Researcher from the UC Berkeley Undergraduate Research Apprenticeship Program (URAP), presented this poster at the FASEB 2005 conference.
  31. Masai, L., Vang, E., Trotter, A., Camozzi, M., Kim, H., Kirkpatrick, K., Rioux, M., **Martin, A.**, Wakimoto, P., & Block, G. (2005, March). Health and Nutrition Concerns of a Cambodian and

- Cambodian American population. *FASEB Journal*. Vol 19 No 5. p. A1022. Masai, UCB URAP Student Researcher, presented this poster at the FASEB 2005 conference.
32. Trotter, A., Camozzi, M., Vang, E., Masai, L., Kim, H., Kirkpatrick, K., Rioux, M., **Martin, A.**, Hill, B., Wakimoto, P., & Block, G. (2005, March). Collaborations as a means of efficiently creating specialized nutrition and health education programs. *FASEB Journal*. Vol 19 No 5. p. A1024. Trotter, UCB URAP Student Researcher, presented this poster at the FASEB 2005 conference.
33. Vang, E., Masai, L., Trotter, A., Kim, H., Kirkpatrick, K., Camozzi, M., Rioux, M., **Martin, A.**, Olivares, A., Wakimoto, P., & Block, G. (2005, March). Culturally appropriate nutrition education for the California Hmong population. *FASEB Journal*. Vol 19 No 5. p. A1022. Earliana Vang, UCB URAP Student Researcher, presented this poster at the FASEB 2005 conference.
34. Townsend, M., Sylva, K., **Martin, A.**, Metz, D., Wooten-Swanson, P., Follett, J., & Keim, N. Assessing content and face validity of photographs to enhance comprehension of the EFNEP Food Behavior Checklist. (2005, July). Marilyn Townsend, Ph.D., R.D., presented this poster for the Food and Nutrition Extension Educators (FNEE) pre-conference session at the *Society for Nutrition Education's 38<sup>th</sup> Annual Conference* in Orlando, Florida.
35. Townsend, M., Sylva, K., Follett, J., **Martin, A.**, Metz, D., Wooten-Swanson, P., & Keim, N. (2005, July). Using cognitive testing procedures to improve the readability of the EFNEP Food Behavior Checklist. *SNE 2005 38<sup>th</sup> Annual Conference*. Marilyn Townsend, Ph.D., R.D., presented this poster for the Food and Nutrition Extension Educators (FNEE) pre-conference session at the Society for Nutrition Education's 38<sup>th</sup> Annual Conference in Orlando, Florida.
36. Townsend, M., Sylva, K., **Martin, A.**, Metz, D., Wooten-Swanson, P., Follett, J., Keim, N., & Sugerman, S. (2005, July). Visually enhanced evaluation for low-income clients. *Journal of Nutrition Education and Behavior, SNE 2005 Annual Conference Proceedings*, 37, Supplement 1, S49. Marilyn Townsend, Ph.D., R.D., gave an oral presentation at the Society for Nutrition Education's 38<sup>th</sup> Annual Conference in Orlando, Florida.
37. Follett, J., Monsivais, P., Adams, S., Sutherland, B., Townsend, M., Drewnowski, A., Keim, N., Lamp, C., **Martin, A.**, Metz, D., Smith, D., Donaldson, J., Romant-Todd, R., & Vikarshan, S. (2005, October). Key local indicators affecting food purchase decisions of food stamp eligible households in four California Counties. Poster Presentation 482. *North American Association for the Study of Obesity (NAASO) Annual Scientific Meeting 2005*. October 15-18, 2005. Jennifer Follett, Ph.D., presented this poster at the 2005 NAASO meeting in Vancouver, Canada.
38. Follett, J., Monsivais, P., Adams, S., Sutherland, B., Townsend, M., Drewnowski, A., Keim, N., Lamp, C., **Martin, A.**, Metz, D., Smith, D., Donaldson, J., Romant-Todd, R., & Vikarshan, S. (2006, April). The real cost of nutrition: purchase decisions of food stamp recipients in four California counties. *Experimental Biology 2006*, April 1-5, 2006, San Francisco. Minisymposium #28.3. Jennifer Follett presented this minisymposium for the research team.
39. **Martin, A.**, Sutherland, B., Donohue, S., & Wakimoto P., (2006, April) Hmong Childhood Obesity Prevention Program: A model pilot project in northern California. *Experimental Biology 2006*, April 1-5, San Francisco. Poster presentation # 649.8
40. Peterson, L., **Martin, A.**, Vang, E., Camozzi, M., Sutherland, B., and Wakimoto, P. (2006, April) Taking the Community Seriously: A health promotion project for the Hmong. *Experimental Biology 2006*, San Francisco. Program/Abstract # 649.14 Poster presented by Lisa Peterson.

41. **Martin, A.**, Wakimoto, P., Peterson, L., Fujii, M., Donohue, S., Kaiser, L., and Sutherland, B. (2006, July) Development of Extender-delivered, Learner-centered, Curriculum to Address Childhood Obesity in Northern California Hmong Communities. *SNE 2006 Annual Conference Proceedings*, 38, Supplement, P31, pp. S27-S28.
42. Shilts, M., Lamp, C., Smith, D., **Martin, A.**, Horowitz, M., Ontai-Grzebik, L., & Townsend, M. (2006, July) UC Cooperative Extension Intervention Positively Influences Selected Education Content Standards for California Public Schools. *Society for Nutrition Education Annual Meeting, FNEE pre-conference meeting Abstract*, San Francisco, CA.
43. Shilts, M., Horowitz, M., **Martin, A.**, Lamp, C., Smith, D., Ontai-Grzebik, L., and Townsend, M. (2006, July) Comparison of 6 and 12 Lesson Exposure of a Nutrition and Physical Activity Intervention for Middle School Adolescents. *Journal of Nutrition Education and Behavior. SNE 2006 Annual Conference Proceedings*, 38 (4), Supplement, P72, pp. S43-S44.
44. Aaron, G., Nguyen, K., Follett, J., Adams, S., Monsivais, P., Smith, D., **Martin, A.**, Metz, D., Lamp, C., Keim, N., Townsend, M., & Drewnowski, A. (2007) Methodology for Estimating Energy Density and Cost of Diets Among Low-Income Women. Poster Presentation. 31st National Nutrient Databank Conference, Washington D.C.
45. **Martin, A.**, Donohue, S., Shilts, M., Lamp, C., Townsend, M., Smith, D., & Johns, M. (2007, January 24) Ethnically Diverse Programs in Rural and Urban California Populations. *2007 California Childhood Obesity Conference: Protecting the Future of Our Children*, Anaheim, California.
46. Wooten Swanson, P., Peterson, S., Metz, D., Bruhn, C., **Martin, A.**, Harris, L., and Blackburn, M. (2007, June 23) Make It Safe, Keep It Safe (MISKIS). *AAFCS 98<sup>th</sup> Annual Conference & Expo*. Reno, Nevada.
47. Peterson, S., Blackburn, M., Metz, D., and **Martin, A.** (2007, September 19) Make it Safe, Keep it Safe: A Food Safety Train-the-Trainer Program for Community-Based Organizations. *72nd NEAFCS Annual Session: Bridging Scholarship and Entrepreneurship for a Promising Future*. St. Paul, Minnesota.

48. Townsend MS, Sylva K, Young T, Davidson C, **Martin A**, Nicholson Y. (2008) Meeting 'MyPyramid' guidelines with low-literate consumers: from servings to cups. *International J Behav Nutr Phys Activity*. Banff, Alberta, Canada 2008. #082161

*My role: As a member of the Body Weigh and Health Workgroup, I facilitated testing of instrument in San Joaquin County.*

49. Townsend MS, Sylva K, Davidson C, **Martin A**, Nicholson Y. (2008, April 28) "Meeting 'MYPYRAMID' Guidelines with EFNEP and FSNEP participants: From Servings to Cups". UCCE Nutrition Family Consumer Sciences Conference, Buehler Alumni Center at UCD 2008.

*My role: As a member of the Body Weigh and Health Workgroup, I facilitated testing of instrument in San Joaquin County.*

50. Kaiser, L., **Martin, A.**, Barrett, G., Metz, D., Young, T., McMurdo, T., and Steinberg, F. (2008, July) Healthy Rewards: Goal-setting for nutrition and physical activity change. *Journal of Nutrition Education and Behavior*. Abstract P55, v 40 (4) p. S66.

*My Role: As co-chair of the Health Promotion Workgroup, I administered UC ANR core issues funds, co-supervised project staff, co-authored lessons/activities, and helped evaluate project.*

51. Horowitz, M., **Martin, A.**, Smith, D., Neelon, M., Spezzano, T., Matthiessen, T., Lippitt, N., Collings, M., Kaiser, L., and members of the University of California Health Promotion Workgroup. (2009, June) Using "Photo Voice" Techniques to Evaluate a Nutrition Education Program. *International Society for Behavioral Nutrition and Physical Activity Conference Proceedings*. Cascais, Portugal.

*My Role: As co-chair of the Health Promotion Workgroup, I administered UC ANR core issues funds, co-supervised project staff, provided feedback to co-authors of lessons/activities, and helped evaluate project.*

52. UC ANR Health Promotion and Chronic Disease Prevention Workgroup, including **Martin, A.** (2009, June) *Family Lifestyle Intervention: Youth-only compared to youth-adult approach*. 5<sup>th</sup> Biennial Childhood Obesity Conference, Los Angeles, California.

*My Role: As co-chair of the Health Promotion Workgroup, I administered UC ANR core issues funds, co-supervised project staff, provided feedback to co-authors of lessons/activities, and helped evaluate project.*

53. UC ANR Health Promotion and Chronic Disease Prevention Workgroup, including **Martin, A.** (2009, June) *4-H Youth Development Program Addresses Healthy Living!* 5<sup>th</sup> Biennial Childhood Obesity Conference, Los Angeles, California.

*My Role: As co-chair of the Health Promotion Workgroup, I administered UC ANR core issues funds, co-supervised project staff, provided feedback to co-authors of lessons/activities, and helped evaluate project.*

54. Schneider, C., Wakimoto, P., Donohue, S., Martin, A., and Sutherland, B. (2009) *Using grounded theory to develop culturally-based Hmong nutrition education curriculum*. APHA 187th Annual Meeting and Expo, November 9, 2009, Philadelphia, Pennsylvania. Abstract #202118.

*My role: I was a member of the research team that planned, coordinated, developed, tested and evaluated the EFNEP Hmong-adapted lessons and materials. I administered and supervised the San Joaquin and Sacramento County component of the project.*

55. Donohue, S., Wakimoto, P., **Martin, A.**, Schneider, C., and Sutherland, B. (2009) *Parenting issues surrounding food and nutrition among Hmong immigrants in the Central Valley, CA*. APHA 187th Annual Meeting and Expo, November 9, 2009, Philadelphia, Pennsylvania. Abstract #207072.

*My role: I was a member of the research team that planned, coordinated, developed, tested and evaluated the EFNEP Hmong-adapted lessons and materials. I administered and supervised the San Joaquin and Sacramento County component of the project.*

56. Peterson, S. Johns, M., Donohue, S., **Martin, A.**, Costello, C., and Varcoe, K. (2010, September) *Designing Effective Online Financial Education Programs for Limited-Resource Clientele*. 2010 NEAFCS Annual Session & Exhibits: Lighting the Way through Education and Outreach. Portland, Maine, September 20-24, 2010. Presenters: Donohue, S. and **Martin, A.**

*My role: I participated in the research project that tested online only, online/classroom, and classroom only. My FSNEP Nutrition Educator and I taught the series of classes, collected data, and provided feedback as part of the research team. I co-presented the concurrent session with Susan Donohue.*

57. Bruhn, C., Barrett, G., Blackburn, M., Collins, M., Ganthavorn, C., Giovanni, M., Harris, L., Johns, M., **Martin, A.**, Metz, D., Peterson, S., Roche, B., Smith, D., Surls, R., and Wooten Swanson, P. (2010, March) *Increasing Food Safety Competency in the Community*. 2010 Food Safety Education Conference--Advancements in Food Safety Education: Trends, Tools and Technologies, March 24-25, 2010, Atlanta, Georgia.

*My role: As a member of the Food Safety Workgroup, I collaborated to conceptualize this project, administer and supervise the SJC component, personally delivered workshops and supervised staff delivering workshops, and evaluated lesson/helped analyze results.*
