### **A. Firearms In The ANR Environment**

1. This section of the University of California (UC), Agriculture and Natural Resources (ANR) Administrative Handbook addresses firearms in the ANR environment.
2. It applies to all firearms within ANR except those associated with the [California 4-H Shooting Sports Program](#). See the [California 4-H Shooting Sports Program](#) webpage for more information regarding that Program.
3. Virtually all other firearms in the ANR environment are associated with a [Research and Extension Center](#) (REC). Accordingly, relevant policies and procedures were designed for implementation at the RECs. Contact the [ANR Environmental Health and Safety Manager](#) for assistance with matters pertaining to firearms in any other context within ANR.
4. ANR's detailed policies and procedures regarding firearms may be accessed at <http://ucanr.edu/sites/anrstaff/files/206183.pdf>
