Assessment and Appraisal

[Delete the italicized text]

Provide an objective appraisal of the performance, achievement and impacts, outcomes, and impacts realized by the academic as required in the advancement criteria for rank and step. Focus critique and negative review within a mentoring framework. Suggest or recommend how the academic might improve deficiencies.

Please justify the recommendation made to the Associate Vice President.

Comments for continued or future success

Provide direct and concise recommendations for improvement to satisfy advancement criteria. Suggest and offer recommendations beyond "keep it up", such as sharing expectations for future rank and states as stated in the eBook.
