Leadership Update	Has anything been heard as to whether or not July 1 staff increases will be across the board (with satisfactory performance)? It's appreciated to receive regular updates (as well as ANR leadership support) on this topic, as inflation is at an all-time high, and this would mean A LOT to staff.	The announcements have not come out from the UC President's Office just yet. As soon as the announcement comes out we will share.
Leadership Update	Does this mean in 2022-2023, ANR will not fund any Program Team and WG meetings since we are holding "All UC ANR" conference?	We will see if there are any we can support any in fall 2023 that haven't already met in 2022. Likely not able to support any past September 2022 - they can hold until the meeting in 2023.
Leadership Update	Does that Experian coverage count for those staff that were part of the breach, but are no longer employed by UC?	If you received the protection last year, you will continue to receive it as part of the extension.
Leadership Update	Experian Extended Contract to 2024 - this is great! Do we need to reapply or will it automatically update if we applied previously.	Answered live – It is automatic
Leadership Update	If we did not take advantage of that protection, can we get in on it now?	Please check the UCnet site for this question. The information there will be most up to date.
Leadership Update	Does that include folks that retire before 2023?	If you received the protection last year, you will continue to receive it as part of the extension.
