To Whom It May Concern:

The University of California, Agriculture & Natural Resources (UC ANR) strives to serve the needs of all its clientele in Sonoma County. In doing so, we cooperate with many different groups throughout Sonoma County in our program delivery. We do not discriminate in any of our programs, and it is a University of California (UC) policy that we do not cooperate with any group that does discriminate.

Therefore, UC policy requests that local UC Cooperative Extension (UCCE) offices periodically mail out the enclosed letter to our local cooperators. This letter ensures that we are all working together to provide services to our clientele and community.

Please complete the form and mail it back to:

If you have any questions, please don't hesitate to contact me. Thank you in advance for your continued partnership with UCCE. It is our pleasure to work with you.

Sincerely,

A handwritten signature in blue ink that reads 'Stephanie Larson'.
