

Academic Salary Cost Recovery (ASCR)

Purpose: Provides an opportunity for Advisors to use centrally provided funding for research and/or program costs when contract and grant salary and benefits replaces state salary and benefits. A proportion of the recovered state salary is returned to the Advisor for research program support. ASCR must be planned at the award proposal stage and approved by UC ANR Office of Contracts & Grants (OCG).

When submitting a grant proposal to ANR’s OCG, the Principal Investigator (PI) will need to request academic salary cost recovery (ASCR). 2. If the grant project is awarded, OCG will indicate on the Goodnews Letter (GNL - award letter) that ASCR is approved. 3. OCG will send the GNL to the ANR Business Operations Center (BOC). 4. BOC will have the Advisor’s effort charged to the sponsored project chart string. 5. The salary savings will be allocated to the Advisor’s Aggie Enterprise Faculty Project within the fiscal year’s task (i.e. ACR024 – task for FY2324 allocations). 6. Email notifications will be sent to the Advisor when the allocations have been posted to the Advisor’s Faculty Project task. 7.
