*** For donations of \$100 or more

The following is a code excerpt, which declares that:

The 23rd District Agricultural Association, Contra Costa County Fair, was established under the State of California Code, Sections 3874 and 3953.

3974: District 23 is the County of Contra Costa

3953: Each Association is a State institution

This State Agency operates under the jurisdiction of the Department of Food & Agriculture, Division of Fairs & Expositions, as an agricultural fair, and meets all of the qualifications thereof. It is constitutionally exempt from the payment of any state or federal income tax.

Donations to the Fair from individuals or businesses can be treated as any donation to the States or other nonprofit organizations for tax purposes and can be considered as tax deductions for the donors as determined by a tax consultant.

We, as a DAA, have in the past received and continue to receive federal dollars and State monies with the waiver of 501 C (3) status as a governmental body. As an arm of government, we are unable to receive nonprofit status on either the federal or state level, as a 501 c (3) number is designation for a private nonprofit agency.

Specific awards please enclose the exact amount. If none of these amounts suits your preference please feel free to make a general donation.

Our preference for the area of support is as follows:

(Please check & indicate which species you would like to sponsor. All requests will be on a first come first serve basis.)
