

# UC Cooperative Extension Humboldt/Del Norte Counties In the 21st Century

**Serving Humboldt County since 1913 and Del Norte County since 1927  
in many ways, big & small**

**Below you will find news & events from Humboldt/Del Norte UCCE programs. We are dedicated to creating, developing & delivering knowledge & practical information in agricultural, natural & human resources to improve the quality of life of Californians.**

## 4-H PARTICIPATION IMPACTS PEOPLE'S LIVES

Those of us involved in the University of California 4-H Youth Development Program have long known that participation in 4-H makes a difference in the lives of youth. Data collected in a national longitudinal study of 4-H and non 4-H youth supports our long held belief that youth thrive when the strengths of youth are aligned with healthy positive youth development practices (Learner, 2007, 2008, and 2009).

## 4-H SPARKS SCIENCE ACHIEVEMENT IN YOUTH

New research shows children in 4-H programs perform better in science, engineering and technology and are more likely to pursue scientific careers than those who don't take part in 4-H. That's according to the latest phase of a multiyear study by Tufts University released in conjunction with 4-H National Youth Science Day.

For more details please visit our website: <http://ucanr.org/4hResearch>

## HELPING PEOPLE HELP THEMSELVES

### 4-H SCIENCE, ENGINEERING, AND TECHNOLOGY (SET) EXPO AT REDWOOD ACRES

On **Saturday, April 24<sup>th</sup>** from 12:30-4:30 PM the 2nd Annual Science, Engineering, and Technology (SET) Expo will be open to the community at Redwood Acres.

This FREE event will include interactive booths, displays, live presentations, door prizes, team competitions and a text messaging contest. Activities will be provided by 4-H, Schatz energy lab, Sequoia Park Zoo, Humboldt Bay National

Wildlife Refuge, REEP, Nylax, State Parks, US Ag Department, UC Cooperative Extension and many others. To get a team application,

or more information, contact the 4-H Office, 445-7351. Come learn and explore the fun and excitement of Science, Engineering and Technology right here in Humboldt County!

For more on this event please visit the website: <http://setexpo.community.officelive.com/>
