

**STUDY GUIDE INFORMATION FOR THE  
KERN COUNTY 4-H  
BEEF PROJECT – SILVER MEDAL TEST (06/10)**

The beef test has a total of twenty six questions. Twenty questions are multiple-choice. Six questions are true/false. Thirty four questions are matching animal parts on diagram. All of the information for the test comes from the booklet “4-H Beef Project” 4-H 2006 (100 B-11) published by New Mexico State University. This publication can be purchased directly form the University of California ANR Communication Services.

Selected heading of study for the test include:

Page 5	Learning to recognize Modern Beef Types
